

Jesse Stone Night Passage

Robert B. Parker

Night Passage Robert B. Parker, 2001-07-01 Robert B. Parker introduces readers to police chief Jesse Stone in the first novel in the beloved mystery series—a New York Times bestseller. After a busted marriage kicks his drinking problem into overdrive and the LAPD unceremoniously dumps him, thirty-five-year-old Jesse Stone's future looks bleak. So he's shocked when a small Massachusetts town called Paradise recruits him as police chief. He can't help wondering if this job is a genuine chance to start over, the kind of offer he can't refuse. Once on board, Jesse doesn't have to look for trouble in Paradise: it comes to him. For what is on the surface a quiet New England community quickly proves to be a crucible of political and moral corruption—replete with triple homicide, tight Boston mob ties, flamboyantly errant spouses, maddened militiamen and a psychopath-about-town who has fixed his violent sights on the new lawman. Against all this, Jesse stands utterly alone, with no one to trust—even he and the woman he's seeing are like ships passing in the night. He finds he must test his mettle and powers of command to emerge a local hero—or the dearest of dupes.

Jesse Stone Robert Harmon, 2006

Detectives in the Shadows Susanna Lee, 2020-08-04 A century of American history reflected in the iconic private eye. Steadfast in fighting crime, but operating outside the police force—and sometimes even the law—is the private detective. Driven by his own moral code, he is a shadowy figure in a trench coat standing on a street corner, his face most likely obscured by a tilted fedora, a lit cigarette dangling from his hand. The hard-boiled detective is known by his dark past, private pain, and powers of deduction. He only asks questions—never answers them. In his stories he is both the main character and the narrator. America has had a love affair with the hard-boiled detective since the 1920s, when Prohibition called into question who really stood on the right and wrong side of the law. And nowhere did this hero shine more than in crime fiction. In *Detectives in the Shadows*, literary and cultural critic Susanna Lee tracks the evolution of this truly American character type—from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones. Lee explores how this character type morphs to fit an increasingly troubled world, offering compelling interpretations of *The Wire*, *True Detective*, and *Jessica Jones*. Suddenly, in the present day, the hard-boiled detective wears his—or her—fatigue outwardly, revealing more vulnerability than ever before. But the detective remains resolute in the face of sinister forces, ever the person of honor. For anyone interested in crime fiction and television, or for those wanting to understand America's

idolization of the good guy with a gun, *Detectives in the Shadows* is essential reading.

Movies Made for Television Alvin H. Marill, 2010-10-11 In 2005, Scarecrow published *Movies Made for Television, 1964-2004*, a five-volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964. These books provided a comprehensive listing of every television film and mini-series, detailing each film's original network, airdate, and length of broadcast. In this latest volume, Marill adds another five years of television films, providing information for an additional 400 works produced between 2005 and 2009. Along with a brief summary, entries also include extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing. With a chronology of the films, an appendix of movies adapted from other sources, and separate indexes for actors and directors, *Movies Made for Television, 2005-2009* is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture.

Baseball/Literature/Culture Ronald E. Kates, Warren Tormey, 2010-03-10 The Conference on Baseball in Literature and American Culture has consistently produced a strong body of scholarship since its inception in 1995. Essays presented at the 2008 and 2009 conferences are published in the present work. Topics covered include religion; class and racial dichotomies in the literature of cricket and baseball; re-reading *The Natural* in the 21st century; the feminist movement; Don DeLillo's *Game 6*; baseball in *Seinfeld*; Robert B. Parker; Harry Stein's *Hoopla*; Negro league owner Tom Wilson's impact on Nashville; Major League Baseball's postwar boom; and overwrought baseball editorials, among others.

In Pursuit of Spenser Otto Penzler, 2012-04-24 When Robert B. Parker passed in early 2010, the world lost two great men: Parker himself, iconic American crime writer whose books have sold more than 6 million copies worldwide, and his best-known creation, Spenser. Parker's Spenser series not only influenced the work of countless of today's writers, but is also credited with reviving and forever changing the genre. *In Pursuit of Spenser* offers a look at Parker and to Spenser through the eyes of the writers he influenced. Editor Otto Penzler-- proprietor of one of the oldest and largest mystery specialist bookstores in the country, New York's *The Mysterious Bookshop*, and renowned mystery fiction editor whose credits include series editor for the *Best American Crime Writing* and *Best American Mystery Stories*, among many others (and about whom Parker himself once wrote, Otto Penzler knows more about crime fiction than most people know about anything)-- collects some of today's bestselling mystery authors to discuss Parker, his characters, the series, and their impact on the world. From Hawk to Susan Silverman to Jesse Stone and Sunny Randall, from the series' Boston milieu to Parker's own take on his character, *In Pursuit of Spenser* pays tribute to Spenser, and Parker, with affection, humor, and a deep appreciation for what both have left behind.

Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini-series like *Band of Brothers*, long-form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs.
