Quick Keto Meals in 30 Minutes Or Less Martina Slajerova, 2017-06 Keto Meals in 30 Minutes or Less presents you with 100 delicious recipes rich with healthy fats—for breakfast, lunch, dinner, and even snacks—that are quick, easy, varied, and delicious. The keto diet is being regarded as the go-to eating plan for weight loss, to keep blood sugar stable, or simply for staying healthy. However, adapting recipes to make them keto-friendly means adding cooking time, preparation, and, often, hard-to-find ingredients—challenges that are impossible to overcome when you need to get a meal on the table after a busy day. And even keto followers can't live on avocados and bacon alone. Now you don't have to spend two hours making one meal! All of these ketosis recipes take a half hour to hit the table, can be made in large batches, or built into other dishes, like casseroles, slow cooker entrees, and more. Plus, all ingredients are easy to find, so there's no searching specialty stores. Just a few of the great recipes within: Eggs Florentine in Portobello Mushrooms Cinnamon Roll Souffle Pancake Smoked Salmon Chard Wraps Buffalo Chicken Salad in a Jar Chimichurri Steak Salad Moroccan Couscous with Halloumi Strawberry and Rhubarb Fool Triple-Layer Frozen Cheesecake Bites With Keto Meals in 30 Minutes or Less, incorporate the keto diet into your busy lifestyle—easily and deliciously.

Squeaky Clean Keto Mellissa Sevigny, 2020-06-16 Squeaky Clean Keto marries the principles of clean eating with the ketogenic diet, resulting in reduced inflammation, faster weight loss, and better overall health. It provides readers with the methods and principles of squeaky clean keto (no grains, dairy, alcohol, sweeteners, or nuts), 30 days of easy-to-follow meal plans, and over 130 delicious recipes that are big on flavor and will appeal to even the pickiest of eaters. This book will help readers lose weight, feel healthier, and identify whether or not certain common allergens are hindering their progress—all while eating an abundance of delicious foods that the entire family can enjoy. Squeaky Clean Keto makes weight loss on keto almost effortless, even for people who are self-proclaimed “slow losers.” Food intolerances and inflammation caused by

common keto foods like dairy, nuts, and sweeteners can slow weight loss, so when those things are completely removed from the diet, many see rapid results that they weren't getting on "regular" keto. After 30 days of squeaky clean keto, slowly reintroducing the potentially offending foods can shine a light on which foods may have been stalling weight loss. With this information in hand, readers can decide to limit or omit those foods completely moving forward for a fully customized approach to the keto diet.
