

La Fine Di Ciano

Guido Bonsaver

Claretta R. J. B. Bosworth, 2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta, whose extraordinarily intimate diaries only recently have become available. Few deaths are as gruesome and infamous as those of Benito Mussolini, Italy's fascist dictator, and Claretta (or Clara) Petacci, his much-younger lover. Shot dead by Italian partisans after attempting to flee the country in 1945, the couple's bodies were then hanged upside down in Milan's main square in ignominious public display. This provocative book is the first to mine Clara's extensive diaries, family correspondence, and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side. R. J. B. Bosworth explores the social climbing of Claretta's family, her naïve and self-interested commitment to fascism, her diary's graphically detailed accounts of sexual life with Mussolini, and much more. Brimful of new and arresting information, the book sheds intimate light not only on an ordinary-extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself.

Censorship and Literature in Fascist Italy Guido Bonsaver, 2007-01-01 The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception. *Censorship and Literature in Fascist Italy* is the first comprehensive account of how the Fascists attempted to control Italy's literary production. Guido Bonsaver looks at how the country's major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists. Throughout his study, Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy's literary history, such as relationships between the regime and particular publishers, as well as individual cases involving renowned writers like Moravia, De Verona, and Vittorini. *Censorship and Literature in Fascist Italy* charts the development of Fascist censorship laws and practices, including the creation of the Ministry of Popular Culture and the anti-Semitic crack-down of the late 1930s. Examining the breadth and scope of

censorship in Fascist Italy, from Mussolini's role as 'prime censor' to the specific experiences of female writers, this is a fascinating look at the vulnerability of culture under a dictatorship.

Mussolini Ray Moseley, 2004-06-30 In his last days, Mussolini, the tyrant, was in the grip of anger, shame, and depression. The German armed forces that had sustained his puppet government since its creation in September 1943 were being inexorably driven out of Italy, the frontiers of his Fascist republic were shrinking daily and Mussolini was aware that German military leaders were negotiating with the Allies behind his back in neutral Switzerland. Moseley's well-researched and highly engaging tome throws light on the last twenty months of the despot's life and culminates with the dramatic capture and execution of Mussolini (and his mistress Claretta Petacci) by partisans of the Italian resistance on April 28, 1945.

Italo Balbo Giordano Bruno Guerri, 2024-10-11T00:00:00+02:00 "Se il fascismo nacque a Milano, fu a Ferrara, con Italo Balbo, che trovò la formula del successo nell'accordo con gli agrari e nell'organizzazione militare dello squadristico. Si trattava di una rivoluzione che aveva molti punti di contatto con la reazione e si basava anche su una violenza spesso gratuita. Come capo e uomo d'azione, Balbo fu inflessibile e determinante nel portare a compimento la conquista del potere e nell'instaurare il regime fascista. Né l'una né l'altro probabilmente si sarebbero verificati - e comunque non in quel modo e in quei tempi - senza la volontà e la determinazione di Balbo. Sempre più gigantesca appare oggi l'importanza delle imprese aeronautiche ideate, organizzate e realizzate da Balbo. La sua intuizione geniale fu di capire che il volo sarebbe stato alla portata di tutti soltanto organizzandolo non come impresa eroica di pochi audaci, ma come prassi quotidiana per uomini comuni che possono volare tranquilli, certi di una perfetta organizzazione a terra come in cielo. Su un simile personaggio fiorì, e vive tuttora, una tradizione narrativa e storiografica che, ispirandosi alle sue imprese clamorose, allo stile bizzarro e anticonformista, alla figura fascinosa e all'origine ferrarese, ne ha fatto 'un condottiero rinascimentale', un cavaliere di ventura cinquecentesco vissuto per sbaglio nel ventesimo secolo. Niente di più falso: l'aspetto forse più sorprendente che emerge da questa biografia è la straordinaria modernità di Balbo come capo e come politico: il suo spiccatissimo senso della propaganda, la capacità di sfruttare i media e il proprio carisma, l'abilità di eccitare e incanalare le masse erano qualità che

Balbo possedeva in massimo grado, inferiore in questo solo a Mussolini. In definitiva, la storia di Balbo è la favola realizzata dell'uomo della strada che dice 'se comandassi io' e arriva davvero a comandare, autore, vittima e complice del sistema in cui opera e di cui non si sa liberare." Giordano Bruno Guerri
