Enduring a Crisis of Faith Rico Maranto, 2023-03-22 A crisis of faith may feel like the death of our testimony. But what if it is not the death of our testimony, but a rebirth of it? After a lifetime of being a devoted Latter-day Saint, Rico Maranto unexpectedly suffered a severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul. Overcome with doubt and uncertainty, he began to feel abandoned by God and all that He has taught. But through the years of his dark night, Rico transitioned from nearly losing his faith to rediscovering rebirth. Now Rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith. In this inspiring book, Rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises. With his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever, you will discover the five stages of faith as a template for spiritual development. strategies and toolsets for enduring a crisis of faith. how to help others who are struggling with their own doubts. If you or a loved one are struggling with your faith, know that the dark night of the soul is not reason to despair; it is a divinely designed spiritual chrysalis intended to transform us into all the Lord needs us to become-the best version of ourselves.

Martin Luther as Comforter: Writings on Death Neil Leroux, 2007-06-30 What was Martin Luther's teaching regarding death, and to what extent did his own fears of and experiences with death manifest themselves in his writings? What influence did the medieval preoccupation with a 'good death' have upon him? How did Luther counsel those facing death—to meet it with acceptance, or resistance, or both? Using meticulous rhetorical analysis of select sermons, pamphlets, and letters of consolation, this book examines how Luther offered comfort to those who were facing their own death or who were coming to terms with the death of loved ones. Thus the book makes an important contribution to existing scholarship on Luther and the formation of an early modern Protestant ethos surrounding death, bereavement, and burial.

Freedom Faith Courtney Pace,2019-06-15 *Freedom Faith* is the first full-length critical study of Rev. Dr. Prathia Laura Ann Hall (1940-2002), an undersung leader in both the civil rights movement and African American theology. *Freedom faith* was the central concept of Hall's theology: the belief that God created humans to be free and assists and equips those who work for freedom. Hall rooted her work simultaneously in social justice, Christian practice, and womanist thought. Courtney Pace examines Hall's life and philosophy, particularly through the lens of her civil rights activism, her teaching career, and her ministry as a womanist preacher. Moving along the trajectory of Hall's life and civic service, *Freedom Faith* focuses on

her intellectual and theological development and her radiating influence on such figures as Dr. Martin Luther King Jr., Marian Wright Edelman, and the early generations of womanist scholars. Hall was one of the first women ordained in the American Baptist Churches, USA, was the pastor of Mt. Sharon Baptist Church in Philadelphia, and in later life joined the faculty at the Boston University School of Theology as the Martin Luther King Chair in Social Ethics. In activism and ministry, Hall was a pioneer, fusing womanist thought with Christian ethics and visions of social justice.
