*A Concise Grammar for English Language Teachers* Tony Penston, 2005 A Concise Grammar for English Language Teachers excels at actually making grammar easy; easy to understand, easy to master, easy to apply in the classroom. Its underlying aim is to help teachers become au fait with the terminology used in modern ELT coursebooks and to build confidence in their ability to explain grammar rules, both structural and functional. Among the bold innovations with this book is its A4 size, which more readily accommodates the plentiful and highly commended tables of grammar items. It is also the first English teacher's grammar to use 'tree diagrams' to show sentence constituents in full clarity. Other strengths include the many excerpts from coursebooks and resource books, plus the excellent practical tips throughout. --

**Grammar for English Language Teachers** Martin Parrott, 2000-03-30 Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar, and provides a quick source of reference in planning lessons and clarifying learners' problems. Each chapter includes a Typical difficulties section, which explores learners' problems and mistakes. The book encourages teachers to appreciate the range of factors which affect grammatical choices, but also introduces the 'rules of thumb' presented to learners in course materials. The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials. The book is organised thematically, but also provides a 'short cut' index at the beginning for ease of reference. There is also a Cambridge ELT website with further chapter-by-chapter extension exercises to accompany the book.

This book was previously self-published as Teaching English: A Practical Guide, which won the 2017 TESL Canada Innovation Award for Teaching Training Resource

Materials. This edition has been well updated and includes a new section on using technology in the classroom, expanded coverage of assessment, and new questions and suggested further readings in each chapter.

*ELT Revisited* Marcela Malá, Zuzana Šaffková, 2016-08-17 This volume brings together selected papers presented during the 9th International Conference of the Association of Czech Teachers of English, titled "Teaching for Tomorrow" and hosted by the English Department of the Faculty of Science, Humanities and Education at the Technical University of Liberec, Czech Republic. The conference brought together English Language Teaching (ELT) professionals from primary, secondary and tertiary education to discuss a variety of English as a Foreign Language (EFL)-related topics, ranging from reports on language research to viewpoints and insights on classroom practice. The contributions are grouped into three sections: a) Focus on Selected Language Topics, b) Increasing Learner Autonomy and c) Innovative Teaching English as a Foreign Language (TEFL) ideas. Papers were carefully chosen in order to appeal to a broad audience. Consequently, there are articles which have a mainly theoretical bent and those which have a more practical leaning. Although the conference was hosted in the Czech Republic and the majority of participants were from this country, the book is relevant to any context where English is taught as a foreign or second language. Therefore, teachers, advanced students of English, language researchers, and, indeed, anyone engaged in the EFL profession will find this collection both educational and thought-provoking.

La rivista è organizzata in tre sezioni: la prima contiene saggi e articoli; la seconda presenta discussioni e analisi d'opera relative alle scienze linguistiche e letterarie; la terza sezione ospita recensioni e una rassegna di brevi schede bibliografiche riguardanti la linguistica generale e le linguistiche delle singole lingue (francese, inglese, russo, tedesco). La rivista pubblica regolarmente articoli in francese, inglese, italiano e tedesco, e occasionalmente anche in altre lingue: nel 2010, ad esempio, ha pubblicato un volume tematico interamente in russo.
