Supernatural Heiser, Michael S.,2015-11-10 Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In Supernatural, Heiser takes the core message from his recent best-seller, The Unseen Realm, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture, but without all the extra footnotes and supporting information needed for the scholarly treatment. “We can’t believe what we don’t understand. In Supernatural, Michael Heiser helps us to do both. It may open your eyes to the scripture in a new way.” —John Ortberg, author of If You Want to Walk on Water, You’ve Got to Get Out of the Boat

The book avoids any form of western bias, no presuppose ideas, ideologies, or theories. The book is an in-depth study of the Biblical text within the context of the ancient culture, language, traditions, and customs of a first century Yisra’elite.

Deceived No More Doreen Virtue,2020-07-28 The Miraculous Story of a Hugely Successful New Age Teacher’s Conversion to Christianity In this brilliant, utterly captivating memoir, Doreen Virtue chronicles her journey in discovering everything she believed in was a lie. She poignantly shares the price she’s paid for following Jesus. New Age teachings are based on concepts that sound almost irresistible. But as Doreen discovered, they come with a hidden price: your eternal destiny. Here is a riveting, personal confessional of how a former false prophet learned to trust God after nearly wasting a lifetime being independent and willful—trying to predict and control the future—and how Jesus saved her soul from deception and opened her eyes to His truth. Deceived No More can help you learn how to discern dangerous teachings so you can detect and avoid deception. Topics include: How to spot New Age teachings, and why they’re dangerous Biblical ways to deal with persecution, spiritual warfare, and other post-conversion issues How to witness to a New Ager

Still Here! Braxton DeGarmo,2021-10-26 The Apocalypse! A code book of future events awaiting deciphering? Or a

picture book of current events? Is there a global tyrant who will be known as the Antichrist? Who, or what, is the Beast? The False Prophet? Who are the 144,000? What is Babylon and who is the Prostitute who seduces the world? Understanding the Book of Revelation need not be daunting. You don't have to be theological scholar to understand it. After all, John wrote it for the common man. Yet, the key to understanding lies in the Old Testament foreshadowing and types preceding it. Nowhere is the phrase The Old Testament is the New Testament concealed, and the New Testament is the Old Testament revealed more true. And, once you understand it, and take a look at the world today, the more you might recognize that the Apocalypse is now!

SHERLOCK INDWELLED Gail Ann Swales, 2025-05-22 Sherlock Indwelled A Sherlock Holmes Novel Book Two in the Psalms of Sherlock Series For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the cosmic powers of this darkness, against evil, spiritual forces in the heavens. Ephesians 6:12 Sherlock Holmes, the world's only consulting detective, struggles to compromise his strict policy of self-reliance. He loses the security of his detachment when he becomes indwelled by the Holy Spirit. He really doesn't want to be indwelled by a sacred meddler, an involver. How can he possibly carry on his work if he has to discuss everything first? While his adventures challenge him with new relationships, Sherlock matures in his Christian faith and becomes aware of the spiritual warfare he must deal with. Sherlock is warned that he's in grave spiritual danger and receives the gift of the del Gesù (of Jesus) violin as his guide. The Holy Spirit uses the instrument to share God's infinite wisdom in a language Sherlock understands, music. Sherlock enters a whole new realm of warfare when Professor Moriarty's wrath against him is poured out on the entire world. Will Sherlock be successful in stopping his evil plan or make an unthinkable sacrifice to keep hope alive? The Game is on!

The Unseen Realm Heiser, Michael S., 2015-09-01 In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the glorious ones that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes

will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches. --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement 'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book. --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.' --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

UNDER THE DOME, BOOK 2, WHO AM I? HOW DID I GET HERE? WHERE DID I COME FROM? Gorgi Shepentulevski, 2001-10-12 We live in a world where reality is being presented to us as fantasy, and fantasy and as a reality. This world is not what we have been told to be, and everything that we know of is fake fictional stories written by Artificial Intelligence computers on sets of algorithm instructions that tells it what to write. What we know of our world was not written by humans for the most part of it, but by machines, they only needed to put in a plot or parameters and the AI computers were writing up the stories guided by algorithms. In this book of 23 Chapters there are so many revealed secrets of the true nature of the world we live in and creation as a whole, scattered throughout all 90 pages of this book and because of that it should be read thoroughly. Starting from Chapter 1, this book explains the true origin of humanity and creation as a whole, who we really are, where did we come from, and how did we get here! Chapter 3 explains what the Dome is made of that we live Under, and when it was put in place. Chapter 4 explains the primary purpose of the Dome as a Macro cosmos, and its importance for the creation of humanity as Micro cosmos, as above - so below. Chapter 5 explains the true purpose of the Portal at North Pole known as Ruper Nigra, or Mount Mery, which I call Mother-mirror Portal. Chapter 6 explains how exactly water was made in the Underworld by the Portal machine I call Mother Portal. Chapter 7 explains how the Dome was made by the Father Portal machine which is placed under the ground in the centre of the world. Just a remainder here that the centre of the world is not at the North Pole, but somewhere else. Chapter 8 explains what exactly is Torus field dynamics that creates the Dome we live under, and how it works. Chapter 9 explains exactly what an Atom is, its true origin and function. Chapter 10 explains the origin of the Cross, how it came into existence, and its true purpose for human-kind creation. Chapter 11 explains the

meaning of the Cross in the middle text of Rosetta Stone. Chapter 12 explains the real meaning of the Cross in the Bible referred to as 'The Twin Flame'. Chapter 13 explains the true meaning of the words 'Equator', 'North' - 'South', 'East' - 'West', and 'Horizon'. Chapter 14 explains exactly why Atmospheric Energy increases by 100 Volts going upwards into the sky. Chapter 15 explains the Intelligent design of Creation. Chapter 16 explains exactly how Stars were Born. Chapter 17 explains exactly who God is. Chapter 18 explains what the element of Fire is. Chapter 19 explains what the element of Air is. Chapter 20 explains what the element of Water is. Chapter 21 explains what the element of Earth is. Chapter 22 explains the true meaning of Saint Bartholomew. Chapter 23 explains all about hexagonal growth formation in nature as mathematical construct.

One of them is that the True Paradise on Earth still exist unaffected by diseases, heat and cold of the sun and the moon, nor social system such as the one we endure day after day in our lives. The air that human living in True Paradise breathe, is actually electrically charged water vapour moisture, making it the most suitable vital energy for biological life to thrive and grow, and besides that, the air is additionally charged by Electro-Magnetic Auric Field of glowing silicon trees, and because their electric potential capacity is being re-filled and replenish continuously, they are capable of activating their higher senses whenever they want to with ease, and never be hungry or sick.

The 60 Second Scholar Michael Heiser, 2015-12-18 Master the art of Bible study one minute at a time. The Bible is the most important book in history. It's also one of the most misunderstood. Studying Scripture involves much more than reading. Serious Bible study can be a daunting task. It takes effort and skill. The Bible was put together over 2000 years ago. There are serious obstacles to grasping its meaning and message. Wouldn't it be great to have a seasoned Bible scholar by your side to help? Now you can. In *The 60 Second Scholar: 100 Maxims for Mastering Bible Study*, Dr. Michael S. Heiser is the guide by your side. In this first of three *60 Second Scholar* volumes, Dr. Heiser shares 100 brief, easy-to-read lessons and truisms for grasping God's word, learned over the course of nearly twenty years of teaching. Adept Bible study isn't about checklist tasks. It's about using the right tools, thinking carefully, and sticking to the task. You don't need to be a scholar to

understand the Bible. You just need some advice from one along the way.

Tolkien Dogmatics Austin M. Freeman, 2022-11-16 Tolkien Dogmatics overflows with insights and is a must-read for serious students of Tolkien. --The Gospel Coalition Theology through mythology J. R. R. Tolkien was many things: English Catholic, father and husband, survivor of two world wars, Oxford professor, and author. But he was also a theologian. Tolkien's writings exhibit a coherent theology of God and his works, but Tolkien did not present his views with systematic arguments. Rather, he expressed theology through story. In Tolkien Dogmatics, Austin M. Freeman inspects Tolkien's entire corpus--The Hobbit, The Lord of the Rings, and beyond--as a window into his theology. In his stories, lectures, and letters, Tolkien creatively and carefully engaged with his Christian faith. Tolkien Dogmatics is a comprehensive manual of Tolkien's theological thought arranged in traditional systematic theology categories, with sections on God, revelation, creation, evil, Christ and salvation, the church, and last things. Through Tolkien's imagination, we reencounter our faith.

The 60 Second Scholar Michael Heiser, 2015-12-18 Boost your Bible comprehension one minute at a time. The Bible was written for us-but not to us. We're not part of the ancient world that informed its writers. We're strangers to their ideas, experiences, and worldview. Because we're cultural and historical outsiders, what we read in the Bible can often be perplexing and impenetrable. But take heart. But clear comprehension of what's in the Bible isn't a lost cause. In the second volume of his 60 Second Scholar series, Dr. Michael S. Heiser reveals the 100 most indispensable insights for understanding the Bible. The 60 Second Scholar: 100 Insights that Illumine the Bible presents readers with a straightforward but audacious proposition: Grasping these 100 insights will mean comprehending Scripture more clearly than you ever have before. You don't need time travel to understand Scripture, but you do need directions.

The Power of Obedience Deborah L. Roeger, 2022-07-20 What does God require of you? Many Christians are asking this question, and looking for an answer that is biblically founded. You can find the answer in this book. In her previous book, *God Still Speaks*, Deborah Roeger outlined a sound basis for hearing from God, discerning His voice, and following Him more closely as we develop the habit of listening. In this first volume of her series *Lost in Translation*, she studies biblical obedience. Rather than speaking of obedience as a list of duties, she presents it as a uniquely powerful way to live. This book is rooted in the stories of Scripture, especially of the Old Testament. From those roots the study unfolds a practical, life-changing approach to discipleship based on finding God's will and joyfully joining Him. Each chapter provides a key verse and a number of scriptural examples to follow as we seek to become more effective disciples. We do this not to earn God's favor, but to align with His will and to enjoy a life of peace and communion with the God who loves us. The book contains well researched word studies which link the lessons with specific key words in Scripture. Each word study provides helpful insight into how that word is used biblically and how it informs our discipleship. This book is intended for group study, but can also be read and studied individually. It is a resource for Christian education classes wanting to dig deeper into God's

Word presented in the Bible.

The Wormwood Prophecy Thomas Horn,2019 Is the star from Revelation 8 already headed toward Earth? What's more, do government officials already know the answer to that question? Traditional scholarly interpretation claims that the Wormwood star will be an asteroid. Others postulate that it will poison one-third of all of Earth's waters--and we may not even notice it! Others believe the star could hit without returning, like an angel of God appearing in the sky with fire and light, bringing judgement in an instant. Do prophecies from ancient cultures and religions across the globe point to this catastrophe? Have scientists and politicians taken extreme measures to keep this under the public radar? Is this why President Donald Trump sanctioned a colossal increase to planetary defense? Follow Thomas Horn as he blazes through these questions and many others, posing answers that few in the church today are willing to provide--Back cover.

Insurgence Frank Viola,2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ? In *Insurgence*, bestselling author Frank Viola presents a radical proposal for Christians. Namely, that we have lost the explosive, earthshaking gospel of the kingdom that Jesus, Paul, and the other apostles preached. Viola argues that we've lost this dynamic, titanic, living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism. In today's politically charged era, Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God. Viola challenges and dismantles these perspectives, offering a fresh and revolutionary look at the gospel of the kingdom. Viola writes with gripping power, challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom. This high-octane message is being reclaimed today, launching a spiritual insurgence.
