Nine Days Joelina Falk, 2022-02-26 Lily Reyes is trying to win the fight against Depression. Well, more or less trying as childhood trauma lets her believe that the world is too cruel to be living in. In Lily's world, everything makes as much sense as breathing underwater. Yet, as she is preparing her goodbyes, Lily makes one little mistake. She accidentally leaves her notebook for him to find. Colin Carter is the captain of St. Trewery's hockey team. A man that offers more than just good looks. He's facing struggles of his own, ones he feels too guilty to talk about. And yet... Lily's life now lies in his hands. And in only nine days he sure does flip her whole world upside down. Feelings get involved, hearts a being broken, mistakes are getting fixed and old passions are being found back to. But will that be enough? Will nine days change everything? Will nine fun days convince Lily that there is more to life than pain and sorrow?

Eight Weeks Joelina Falk, 2022-08-27 Sofia Carlsen has been living the majority of her life running away from her past. Unfortunately that also meant running away from her childhood best friends. After having moved to a whole different country at the age of seven, and being promised to be back four years later, something traumatic happened, messing up the original plans. While a promise made shortly before her departure kept her heart in New City, she was still an ocean apart from him. Aaron Marsh is good at making promises, determined to never break one. He has big dreams but an even bigger mouth when it comes to Sofia. When he heard she would move away, Aaron couldn't help himself but to promise Sofia to be together again. Given that she was only supposed to stay away for four years, an easy promise to hold on to, right? But what if four years turn into thirteen? After thirteen years apart, childhood sweethearts meet again. Soon Aaron finds out that Sofia needs

someone to spend the holidays with. Naturally, Aaron is her guy; making yet another promise to her. Being in a forced proximity for weeks, they get closer again and are quick to learn that neither of them ever stopped holding on to the promises Aaron made. Now only one question remains; Will they make it? Will Aaron have to break his promises, or is he able to make the ones made at the age of eight come true?

Seven Months Joelina Falk, 2022-12-14 Emory Scott doesn't have it very easy. With constant comparisons to her dead sister, she dreads her family, even when she loves them. However, there's something she hates even more than being compared to her sister. Or rather one other person; Miles King. Miles King has lost the love of his life to childbirth, leaving him behind with a daughter to care for at the mere age of eighteen. Brooklyn, the daughter he didn't know he could ever love so much that her safety was the most important thing to him. He would do anything to keep her safely by his side. So what happens when someone threatens to take Brooklyn away from him? In order to appear like a man who has his whole life together, one who doesn't still mourn the death of his girlfriend, even four years later; he only has one choice if he wants to impress the social services: Marriage. Marrying the only person he knows cares about Brooklyn as much as he does should fix everything. And it sure helps that Emory can't stand him, but loves his daughter, because it means there won't ever be feelings getting involved. But what if the one drunken night they had turns into something more than just a hookup? A baby, for instance. What if suddenly two people that swore to never get involved with one another ever again, are now forced to learn how to coparent? And what if during the months they have to spend together, they discover unimaginable things about their shared past?

Neun Tage Joelina Falk, 2022-02-27 Lily Reyes versucht den Kampf gegen Depression zu gewinnen. Na ja, mehr oder weniger versucht sie es, da ein Kindheitstrauma sie glauben lässt, dass die Welt viel zu grausam ist, um darin zu leben. In Lilys Welt macht alles so viel Sinn, wie das Atmen unter Wasser. Doch als sie ihre Abschiede vorbereitet begeht Lily einen großen Fehler. Sie lässt ihr Tagebuch versehnlich für ihn findbar. Colin Carter ist der Captain des St. Trewery Hockey Teams. Ein Mann, der mehr als nur gutes Aussehen zu bieten hat. Er hat mit eigenen Problemen zu kämpfen. Probleme, die Schuldgefühle hervorrufen, wenn er drüber redet. Und dennoch... Liegt Lilys Leben nun in seinen Händen. Und in nur Neun Tagen schafft er es ihre ganze Welt auf den Kopf zu stellen. Gefühle schleichen sich ein, Herzen werden gebrochen, Fehler richtiggestellt und es wird zu alten Leidenschaften zurück gefunden. Aber wird das reichen? Werden Neun Tage alles verändern können? Werden neun gute Tage Lily davon überzeugen, dass es mehr im Leben gibt als Schmerz und Kummer?
