Teatro para representar en la escuela Teresa Iturbe, 2006-05-05 THEATRE TO REPRESENT SCHOOL. Dramatization is a habitual activity among the teaching professionals for the values that it promotes: cohesion and integration of students of different nationalities or religions, unity to secure a common goal, help for shy students or those with some relational problem, participation of families, better degree of sharing together among the school community, etc. The preparation and development of a play should have an interdisciplinary character. It implies areas like Language, Physical Education, Music, Plastic Arts, etc; also capacitates among the students memory, perseverance, effort, mutual support, etc.

Diccionario Akal de Teatro Manuel Gómez García, 1998-01-02 Este libro pretende comprender el conjunto de las artes y ciencias del espectáculo, trascendiendo lo que pudiera ser específicamente teatral desde un criterio restrictivo, para abarcar también ámbitos como el circo y la danza. Sus referencias biográficas y terminológicas totalizan más de 20.000 palabras o locuciones, agrupadas en torno a numerosos conceptos y en particular a los siguientes: actor, argot teatral, autor, baile, comedia, director, drama, escenario, espectáculo, iluminación, interpretación, movimientos espirituales, música, personaje, público, puesta en escena, teatro, texto, tragedia y vestuario. Caracterizada por el rigor en su elaboración, la obra centra su análisis en el conjunto de la escena mundial a lo largo de la historia, si bien se presta especial atención al teatro español, y particularmente a nuestros autores, actores y directores contemporáneos.

Teatro en Navidad Juan Peña, 2020-12-05 Desde pequeño el autor goza con inventar historias y contarlas a sus familiares y amigos. La forma de comunicarse, de forma más directa, es a través del teatro. Esta colección, de ambiente preferentemente navideño, ofrece cinco piezas teatrales escritas para niños y para toda la familia. En ellas vamos desde la incansable búsqueda de la paloma de la paz en *Había una vez una llave* hasta el confinamiento de unos alumnos en su escuela debido a una tormenta de nieve en *Feliz Navidad*. De igual forma presenta una divertida pastorela titulada *El reventón* donde un despistado ángel se estrella en la ventada de una casa. Se suman las historias de amor de dos parejas en *Pobre gato gris* y *Una noche en Nueva York*.

En torno al teatro de Fernández de Lizardi Catherine Raffi-Bérout, 2023-12-18 La conquista y la colonización del Nuevo Mundo iban acompañadas por el gran esfuerzo de los misioneros por la enseñanza y el adoctrinamiento de los indios. Los clérigos y los políticos sintieron la necesidad de predicar en las lenguas indígenas. En esta monografía se recogen estudios

sobre las gramáticas de lenguas amerindias. Se comentan gramáticas de las lenguas otomí, tarasco, náhuatl, quechua, mapuche, guaraní y el millcayac. A modo de epílogo se analiza la política lingüística española y se da una respuesta a la cuestión de hasta en qué medida se encuentran repercusiones de los 'descubrimientos lingüísticos' del Nuevo Mundo en el pensamiento lingüístico español.

Propuestas par (re)construir una nación Margot Versteeg,2019-08-15 Propuestas para (re)construir una nación explores how Emilia Pardo Bazán (1851-1921) imagines and engenders the Spanish nation in her theatrical production staged and/or published between 1898 and 1909. In the aftermath of Spain's colonial losses, when Spain's male authors, in a growing mood of collective introspection, directed their attention to the homeland, Pardo Bazán generated a series of theatrical proposals to revitalize the nation. In her plays, she manifests her ideas about Spain's fin de siècle crisis, reflects on Spain's place in the international arena (emphasizing the nation's civilizing mission), critiques the intoxicating power of the so-called golden

legend (Spain's glorious past), and sees the origin of the nation's hardship in the lack of education of its inhabitants and in the inequality between men and women. Pardo Bazán's vision of Spain is forward looking, and she imagines a future in which new social configurations will be possible. Instead of locating her plays in an ancestral Castile, she situates several of her works in her native Galicia. For the author, Spain's regional issues are inseparable from the country's national issues and these can all be traced back to the woman question. The playwright appeals to the spectators/readers' reason and emotions in order to let them think and feel that the problems the nation faces can all be attributed to the Spanish men. For Pardo Bazán, Spain's potential for national regeneration resides in the inner strength of women. In cross-fire with the main male players in the literary field of her time, Pardo Bazán offers her critique of national decadence in plays that cleverly subvert a broad range of by then outdated theatrical conventions, and that introduce the public to new currents of theatrical innovation (Ibsen, Maeterlinck, d'Annunzio). *Propuestas* offers a new perspective on the participation of female authors in the contentious debate about the Spanish nation. Pardo Bazán's theater is an overlooked area in the author's extensive creative production, and *Propuestas* challenges the so often repeated topic of the backwardness of the Spanish stage and the alleged lack of innovation during the fin de siècle. *Propuestas para (re)construir una nación* explora cómo Emilia Pardo Bazán (1851-1921) imagina y engendra la nación española en su producción teatral finisecular que vio la luz entre 1898 y 1909. A la zaga de la debacle de 1898, cuando la introspección colectiva dirige la mirada de los autores hacia la patria, Pardo Bazán genera una serie de propuestas teatrales para revitalizar la nación. En sus obras, expone sus ideas sobre la crisis finisecular, reflexiona sobre el lugar de España en la arena internacional (enfaticando su misión civilizadora), critica el poder embriagador de lo que llama la leyenda dorada (el glorioso pasado español) y ve la causa de los males de la patria en la falta de educación de sus habitantes y en la desigualdad entre hombres y mujeres. En vez de enfocarse en el ayer, Pardo se imagina un futuro en el que nuevas configuraciones sociales sean posibles. En lugar de ubicar sus obras en una Castilla ancestral, sitúa varias de sus piezas teatrales en su Galicia natal. Para la autora los problemas regionales son inseparables de los nacionales y los problemas nacionales son inseparables de la cuestión de la mujer. La dramaturga apela tanto al raciocinio como a las emociones de sus espectadores/lectores para hacerles pensar y sentir que son los hombres los que constituyen el problema nacional. Para Pardo Bazán la clave de la regeneración de España se encuentra en la mujer. En fuego cruzado con los jugadores más importantes del campo de producción cultural de su tiempo, Pardo Bazán ofrece su crítica de la decadencia nacional en unas obras que reciclan una serie heterogénea de materiales por aquel entonces anticuados que la autora combina de manera inteligente con formas inesperadas que introducen al público a nuevas corrientes de innovación teatral (Ibsen, Maeterlinck, D'Annunzio). *Propuestas* ofrece una nueva perspectiva de la participación de las autoras femeninas en el contencioso debate sobre la nación española. Dentro de la extensa producción creadora de la autora, su teatro es un terreno frecuentemente pasado por alto y *Propuestas* desafía el tan trillado tópico del

retraso de la escena española y la supuesta falta de innovación durante el fin de siglo.
