From the original Tome of the Unknown: Harvest Melody pilot, through each of the episodes, and beyond, take a strange and wonderful journey with Wirt, Greg, and Beatrice. Studios comics. Sean Edgar guides the tour, which includes commentary from creators Patrick McHale and Nick Cross. "I'm so happy Sean and Dark Horse got this book to happen! It's been really interesting going through all my old sketchbooks, notes, and file folders in search of lost bits and pieces from the show's development," said Patrick McHale. "This handsome volume will contain a nice mixture of beautiful drawings and paintings from the series, amusing anecdotes

about the process, unseen and unused artwork that didn't make the final cut, other mysterious odds and ends, and a whole lot of horrible ugly early development sketches that should inspire people to say, 'Hey, I could do better than that!'"

Critical Approaches to Comics Matthew J. Smith,Randy Duncan,2012-03-22 Critical Approaches to Comics offers students a deeper understanding of the artistic and cultural significance of comic books and graphic novels by introducing key theories and critical methods for analyzing comics. Each chapter explains and then demonstrates a critical method or approach, which students can then apply to interrogate and critique the meanings and forms of comic books, graphic novels,
