**African American Food Culture** William Frank Mitchell, 2009-04-30 Like other Americans, African Americans partake of the general food offerings available in mainstream supermarket chains across the country. Food culture, however, may depend on where they live and their degree of connection to traditions passed down through generations since the time of slavery. Many African Americans celebrate a hybrid identity that incorporates African and New World foodways. The state of African American food culture today is illuminated in depth here for the first time, in the all-important context of understanding the West African origins of most African Americans of today. Like other Americans, African Americans partake of the general food offerings available in mainstream supermarket chains across the country. Food culture, however, may depend on where they live and their degree of connection to traditions passed down through generations since the time of slavery. Many African Americans celebrate a hybrid identity that incorporates African and New World foodways. The state of African American food culture today is illuminated in depth here for the first time, in the all-important context of understanding the West African origins of most African Americans of today. A historical overview discusses the beginnings of this hybrid food culture when Africans were forcibly removed from their homelands and brought to the United States. Chapter 2 on Major Foods and Ingredients details the particular favorites of what is considered classic African American food. In Chapter 3, Cooking, the African American family of today is shown to be like most other families with busy lives, preparing and eating quick meals during the week and more leisurely meals on the weekend. Special insight is also given on African American chefs. The Typical Meals chapter reflects a largely mainstream diet, with regional and traditional options. Chapter 6, Eating Out, highlights the increasing opportunities for African Americans to dine out, and the attractions of fast meals. The Special Occasions chapter discusses all the pertinent occasions for African Americans to prepare and eat symbolic dishes that reaffirm their identity and culture. Finally, the latest information in traditional African American diet and its health effects brings readers up to date in the Diet and Health chapter. Recipes, photos, chronology, resource guide, and selected bibliography round out the narrative.

Food Choice and Obesity in Black America Eric J. Bailey, 2006-05-30 Anthropologist Eric Bailey uses a cultural and holistic analysis of African American food preferences to show how black Americans generally perceive health, body image, food, dieting, physical fitness, and exercise. As is true of Americans overall, black Americans are becoming more overweight

and obese than ever before. So, too, they are seeing the consequences: heart attacks, strokes, hypertension, and Type II diabetes at earlier and earlier ages. Bailey offers a new cultural diet for black Americans and a prescription for working collectively, not only to understand this critical health issue, but also to establish a lifestyle strategy that will be both effective and manageable.

**The Black Family Reunion Cookbook** National Council of Negro Women, 2023-07-18 The Black Family Reunion Celebrations, organized by The National Council of Negro Women and held in seven cities across America every summer, celebrate and preserve the values, traditions, and strengths of the African-American family. Inspired by these festivals, The Black Family Reunion Cookbook contains more than 250 recipes from home kitchens across America, seasoned with warm memories and "homemade love." Including personal reminiscences from celebrities such as Natalie Cole, Wilma Rudolph, Patti LaBelle, and Spelman College President Johnnetta Cole, this unique collection reflects the local, national, and international heritage of the Black community. It offers dishes for every occasion and every taste, from African-inspired Mustard Greens with Peanut Sauce to down-home Family Famous Chicken and Dumplings, from a traditional gumbo to sophisticated Sweet Potato Smoked Turkey Bisque, and, in honor of the council's founder, Mary McLeod Bethune, her own recipe for her celebrated Sweet Potato Pie.
