life without him.

Playing for Keeps Kendall Ryan, 2019-08-13 My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

Fall with Me Becka Mack, 2024-09-03 From bestselling author and TikTok sensation Becka Mack comes the next book in her sizzling hockey romance series about a playboy defenseman and the team photographer who reforms him. The fourth book in the globally popular Playing for Keeps series that New York Times bestselling author Hannah Grace calls endlessly sexy and funny. It was supposed to be a one-night stand. But what if they can't leave it in the past? Jaxon Riley is exceptional at three things: starting fights on the ice, picking up women post-game, and going home to fulfill his role as the world's best cat dad. Relationships, unfortunately, missed the list. Lennon Hayes is supposed to be on her honeymoon. Instead, she's alone and single, vacationing next door to a surly tattooed man who ran his date off the resort. When a run-in at the bar results in a night of bickering and cocktails, she finds herself tumbling into bed with the enemy next door, then sneaking out before the sun comes up. Lennon's plan to start over in a new city is going great, until she starts her new job. The job? The Vancouver Vipers' new photographer. And the defenseman scowling at her from across the room? The one-night stand she wasn't supposed to see again. Good thing neither of them are looking for anything serious... right? Jaxon may not be used to falling, but if he's going to go, he refuses to go alone. If he falls, he wants Lennon to fall with him.

Playing To Win Lisa B. Kamps, 2017-03-21 Jason Emory has one motto: play hard, love hard...and win at all costs. It doesn't matter if he's on the ice or playing the field, his only goal is to win. For a life goal, it sounds pretty good. So why does he feel like he's drifting aimlessly instead of having the world at his feet? At least, that's what it feels like until a hot night with a beautiful stranger who seems oddly familiar—a stranger he can't forget. Megan Bradley loves working at her parents' bar. Why shouldn't she, when that gives her a chance to see her long-time crush up close and personal? Not that Jason knows who she is. Why would he, when she's nothing more than a modern day ugly duckling swimming in a sea of glittering swans? At least, until her best friend hatches a plan for an extreme makeover. All she wants is one night to never forget—but sometimes getting what you want isn't what you need. Can she walk away from the connection that should have never happened? And what happens when it's time to face the truth—especially when she realizes that one sexy hockey player will stop at nothing when it comes to winning?

Playing It Cool Lisa B. Kamps,2020-05-29 Sometimes figuring out what you want in life is only half the battle... Bryan Torresi has a reputation for playing it cool, for being hard-nosed and unforgiving. As head coach of the York Bombers, he has to be. The men look to him for advice and guidance and when it comes to playing hockey, he's one of the best. Off the ice is another story. Life has slipped him by and he wonders what he's missed by being so focused on the sport he loves—and then he meets Pamela Howard. A successful small business owner, Pamela is focused on one thing: security. But achieving the security she's always craved has come at the cost of a personal life. She's not afraid of being alone but she's tired of being lonely—and only now realizes that there's a difference between the two. Meeting the outwardly cool hockey coach makes her wonder if there's still a chance for her to succeed in love. Can two independent people who are used to living life on their own terms learn to compromise for the sake of love? It's a game of give-and-take with stakes higher than either one imagined—but only if they're willing to play instead of walking away.
