**The Methuen Drama Handbook of Gender and Theatre** Sean Metzger,Roberta Mock,2023-12-28 Shortlisted for the 2024 TaPRA Edited Collection Prize This is a guide to contemporary debates and theatre practices at a time when gender paradigms are both in flux and at the centre of explosive political battlegrounds. The confluence of gender and theatre has long created intense debate about representation, identification, social conditioning, desire, embodiment, and lived experience. As this handbook demonstrates, from the conventions of early modern English, Chinese, Japanese and Hispanic theatres to the subversion of racialized binaries of masculinity and femininity in recent North American, African, Asian, Caribbean and European productions, the matter of gender has consistently taken centre stage. This handbook examines how critical discourses on gender intersect with key debates in the field of theatre studies, as a lens to illuminate the practices of gender and theatre as well as the societies they inform and represent across space and time. Of interest to scholars in the interrelated areas of feminist, gender and sexuality studies, theatre and performance studies, cultural studies, and globalization and diasporic studies, this book demonstrates how researchers are currently addressing theatre about gender issues and gendered theatre practices. While synthesizing and summarizing foundational and evolving debates from a contemporary perspective, this collection offers interpretations and analyses that do not simply look back at existing scholarship, but open up new possibilities and understandings. Featuring essential research tools, including a survey of keywords and an annotated play list, this is an indispensable scholarly handbook for anyone working in theatre and performance.

**PRE-MARITAL COUNSELLING IN A MULTICULTURAL SOCIETY** Joseph Adebayo Awoyemi,2013-09-03 Pre-marital counselling in a multicultural society is a toolkit for premarital counsellors, marital and family counsellors. It contains premarital assessment instruments, inventories and questionnaires for marital skill building and case studies. It is useful in dealing with potential marital hurts and as a channel of Gods healing through Christ Jesus. It also presents the biblical and theoretical backgrounds of the work. It explores the family and how each member relates to the family and their combined contributions to the functioning of the family as an organism. It explores activities that take place during the counselling session: activities of the couple in the presence of the counsellor and some home work. It presents tips for daily marital walk

and explores live related cases studies encountered in premarital counselling. These are instruments that can be used as in counsellor training, practicum, premarital or marital counselling sessions and marital education and premarital preparations classes.

*A Sensitive Liberal's Guide to Life* The Uptight Seattleite, 2010-03-02 In the tradition of The Official Preppy Handbook, The Uptight Seattleite is the Stephen Colbert of left-wing satire The author of the wildly popular Seattle Weekly advice column teaches Americans everywhere how to embrace their inner leftist. Artfully balancing the cosmic with the cosmopolitan, the Uptight Seattleite (aka Adrian) delights his loyal readers each week with snide insight on everything from fashion (Can I pull off a Rasta beret?) to ear-bud etiquette. In *A Sensitive Liberal's Guide to Life*, he brings his savvy smugness to his widest audience yet, on topics such as the hierarchy of transportation righteousness (what to do with the clunky old Subaru after purchasing a Prius) and ethical behavior at the grocery store, including how to handle the horror forgetting to bring your reusable burlap sack. Other day-to-day advice covers what to read on the bus (Vonnegut versus The Kite Runner versus The Economist) and feasting at the buffet of diversity, with tips for shooting a condescending smile at those who don't know how to use chopsticks. The Uptight Seattleite also helps readers navigate the big issues, such as responsible parenting (which calls for a mini-landfill kit, perfect for the backyard and ready to be stuffed with environmentally unfriendly diapers). For every insecure liberal-and those who love to make fun of them-the Uptight Seattleite offers us laughs from the pinnacle of political correctness.

*Prized Possession* Alan Smyth, Kristy Fox, 2013-05-03 An umbrella offers protection and covering from the outside elements. An umbrella shields one from what you don't want to experience. Dads can picture themselves as an umbrella over their daughters as they grow up. A dad's role is to protect, cover and shield his daughter from unwanted and outside elements. My prayer is that the reader would stand above the rest in their parenting efforts. Be the kind of dad that rises to the challenge and embraces the battle. This book examines the tumultuous culture that girls are growing up in and will help dads begin to understand their role in the battle. There are firsthand testimonies from quality young women who will report what their fathers did that cultivated a close father/daughter relationship. In addition, you will hear from dads who worked hard at being great fathers and learn by their example. I will share personal experiences that have shaped my parenting and provided me with the insight, conviction and motivation I needed to be the right kind of dad for my daughter. God bless you in the sacred task of raising a daughter. I pray this book will empower you in the process. Alan Smyth
