Through the Lens / Através del Lente Vicki Fish,2020-05-21 Through the Lens By: Vicki Fish Through the Lens is about how the author can look at ordinary things and draw a Christian perspective out of it. It takes readers through her walk with God. The author hopes this book will bring encouragement to readers and may give them ideas on a sermon, talk or speech. No two pages have the same photo or same text from the bible. The verses may duplicate but they come from a different part of the bible. It is written in a devotional format by the author so that readers can read a page each day. The photos were taken in Kenya, Egypt, Nicaragua, Guatemala and throughout the United States.
