The Chönyi Bardo James Qualls,G.A.Sarna,2026-01-20 The Chönyi Bardo The Chönyi Bardo is from an ancient text called the 'Tibetan Book of the Dead.' It's a guidebook to the afterlife and what happens. 'It is within this Bardo that visions and auditory phenomena occur.' Synchronicities occur more frequently, and your soul starts prepping to leave. A change happens when we begin to recognize the truth behind rebirth. We gear up to leave, and the universe guides us onto the next phase. We're going to spend the next thirty years discovering why it chose us to make the jump back to forever. The Chönyi Bardo is the third book in the 'Soulmate Discovery Series.' I close my eyes, imagine you, and write. I have lived my whole love life that way. I have only known passion like this with you. So yes, I have lived the entirety of this love life that way. I rise every morning and stare readily upon Venus. She sits directly outside my window. Between the streetlights and the flat Florida landscape, she is almost the only thing in the sky I can see. It seems appropriate that it be her. You have been, and continue to be, the brightest part of my life. I know things are tough, and they are going to get tougher; that's why we were offered to leave this existence for paradise. But I am going to kiss you first if I have to crawl through Hell. Good morning, my beautiful better half. How was your night? Smile and accept that I love you more than you will ever know. ~ Excerpt from 'A Wish Fulfilled'

Addicted and Convicted Elizabeth Elliot,Sheila Ellin,2023-08-17 Elizabeth Elliot was a brilliant young woman who was addicted to drugs and who was killed by the incompetence of a failed addiction treatment industry. Her mother, Sheila Ellin, has told Elizabeth's story in Elizabeth's own words through her letters, journals, and poems. In this book, Sheila also suggests how we can fix our broken addiction treatment system. I'm a sub-human who is roomin' in a dope motel on the outskirts of hell Elizabeth was intelligent, empathetic, artistic, and fun to be around. She entered the criminal legal system at the age of 19 for drug possession and attempted shoplifting. Elizabeth went to six 12-step rehabs and spent time in three county jails and state prison. She wrote letters to her mother, private journals, and haunting but beautiful poems. Elizabeth planned to write her memoirs, but she died before she had the chance. Her mother put together Elizabeth's story from Elizabeth's writings.

Religious Communication, Interaction and Transformation in a Culture of Digitality Thomas Schlag,Katharina Yadav,2025-12-14 The articles in this volume present research insights from the interdisciplinary University Research

Priority Program (UFSP) 'Digital Religion(s). Interaction, communication and transformation in the Digital Society' (2021-2032). The first phase of the twelve-year research program explored in theology, religious studies, linguistics and computational linguistics, sociology, media and communication studies, and law, how individual and institutional religious actors communicate in different fields of digital religious practice and assert their public claim for orientation. The articles give insights, from different disciplinary perspectives, how the URPP 'Digital Religion(s)' has researched the main question of how current digitalisation dynamics influence, shape and transform the religious practice of individuals and institutions. The topics and content of the research include religious identity formation and the development of collaborative online-offline networks, media communication practices of mourning and pastoral care, and phenomena of religion-related digital education. In addition, this volume provides insights into the current research questions and contexts of 'artificial intelligence and religion'. Finally, a further overview article presents possibilities and potentials for future interdisciplinary and, at the same time, further international research in this highly dynamic field of research.

Baby Blue with a Dab of Grey Destiney Perez, 2016-10-26 Kaia Hunter and her husband, Trevor, have dreams like every parent to someday have children to invest their love into. But Kaia and Trevor are no ordinary couple; Kaia has a chromosomal disorder that makes keeping a child full-term almost impossible. When the two become pregnant once again for the fourth time, they come to find a sense of hope they've never had before a new hope. Kaia had never known a perfect life and is well aware that it wouldn't magically become so. Upon a series of events, this new yet flawed hope becomes a way of life for her. But to keep this hope in hand and heart, she has to fight for it, for herself. Kaia doesn't find a perfect life, but instead, a blue-gray life that is perfectly imperfect. It isn't entirely ideal, but it is the life she is given nonetheless.

Gypsy Boy on the Run Mikey Walsh, 2013-03-12 An English man struggles to define himself and his sexuality outside the bounds of traditional Romany culture in this intimate memoir. "Funny, touching, and heartbreaking in equal measures . . . a coming-of-age tale like no other." —Grazia magazine Mikey Walsh didn't know what life was like beyond his Gypsy community. But after fleeing home at age fifteen, he had no choice but to find out. After centuries of persecution, Gypsies are wary of outsiders, and if you choose to leave, you can never come back. Torn between his family and his heart, Mikey struggled to come to terms with the Gypsy culture and its violent, conservative traditions. At last, he decided to set out on his own. He soon discovered the outside world wasn't all that he expected, and his life would never be the same again. A shocking yet ultimately triumphant memoir, *Gypsy Boy on the Run* follows Mikey as he comes to terms with himself, his family, and his past—and builds a new life for himself. "A great-hearted book of tenderness and brutality." —Kirkus Reviews "Every bit as stellar as its predecessor. If you're searching for something for vacation, weekending or just because, *Gypsy Boy on the Run* is the best escape." —The Washington Blade

Our Mr. Wrenn: The Romantic Adventures of a Gentle Man Sinclair Lewis, 2021-05-19 In *Our Mr. Wrenn: The Romantic Adventures of a Gentle Man*, Sinclair Lewis deftly explores themes of individuality, romance, and the quest for identity within a rapidly changing America. Set against the backdrop of early 20th-century industrial society, the novel employs a blend of humor and social critique, showcasing Lewis's characteristic style of keen observation and incisive wit. The narrative follows the awkward yet endearing protagonist, Mr. Wrenn, whose earnest attempts at romantic fulfillment and self-discovery reveal the complexities of human nature and societal expectations. Lewis's adept use of dialogue and character development further enriches this satirical commentary on American life, echoing the literary movements of realism and modernism prevalent in his time. Sinclair Lewis, the first American to win the Nobel Prize in Literature, was deeply influenced by the cultural and social upheavals of his era. His earlier experiences as a small-town resident and keen observer of human behavior compelled him to create characters like Wrenn, who grapple with societal norms while seeking love and self-actualization. Lewis's unique blend of sociopolitical insight and relatable character portrayals reflects his desire to both entertain and provoke thought within his audience. This novel is highly recommended for readers interested in early 20th-century American literature, as it offers an engaging exploration of the human condition through the eyes of an everyman. Lewis's humorous yet poignant reflection on romance and individuality invites readers to empathize with Mr. Wrenn's journey while offering a timeless commentary on society's complexities.
