Living in Light, Love & Truth Kasi Kaye Iliopoulos, 2012-12-20 Awarded a 2015 Living Now Evergreen Bronze Medal Book Award for Spiritual Leadership You Can Change Your Life by Living in Light, Love & Truth Awareness + Reflection + Learning + Application = Wisdom. Living in Light, Love & Truth provides insight in how to balance the spiritual (inner) and physical (outer) aspects of ourselves as an individual and in the life we live. It breaks down life events, and it attempts to identify the ego by examining truth. Living in Light, Love & Truth explores topics such as our life purpose, the ego, energy, free will, intuition and gratitude. It also offers the opportunity to reflect, understand and cleanse fear-based energies that inhibit you from holistically experiencing an empowering and positive life. To help you on your life journey, each chapter is accompanied with reflective quotes, reflection exercises and affirmations, which form part of the self-healing process. Living in Light, Love & Truth is the first layer of life transformation: taking responsibility for actions, emotions, feelings, thoughts, words and perceptions towards ourselves, others, situations and environments. Knowledge without application is simply knowledge. Applying the knowledge to one's life is wisdom and that is the ultimate virtue. From a young age, Kasi Kaye Iliopoulos has known a great compassion for life. Her passion to discover the spiritual laws of life has always inspired her. Undertaking energy healing practitioner training steered her towards healing herself and others, and living her life purpose. She currently lives in Melbourne, Australia.

Mysticism in Newburyport Peter James Ford, 2023-02-19 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named

Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Destiny Peter James Ford, 2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and

knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title "MYSTICISM IN NEWBURYPORT" then the eighth and ninth bonus/companion books called "MYSTIC" & "VISION QUEST." Then "SHAMBHALA'S GHOSTS" was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself "An Unlikely Messenger" as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...
