Quotes for the Mentality Notes for the Reality Antonia Harris,2024-08-23 This book is written in a logical and philosophical form. This book includes mixed-up situations with a little twist, and it is off the hook. Before you begin, here are some questions that you can ask yourself: Has anyone ever done you dirty, or have you ever done someone dirty? Have you ever been hurt by someone, or have you ever hurt someone? Has anyone ever made you cry, or have you made someone cry? Have you ever been in a deep thought from a cause, then had to pause? Have you ever wondered why, then had to sigh? Have you ever tried, then had to say goodbye? My point is to let readers know that there are many situations that can happen in different ways, and I am breaking it down on different kinds of levels. My moral is to let leaders know that there are plenty of preparations that can happen in all significant prays, and I'm creating it found on the significant finds of specials. The ideal is to read one quote a day. The reveal is to lead one note a pray.
