Song Lyrics (Volume 1-5) James Marlowe,2021-06-22 After publishing two books on Amazon Kindle, I decided to take a short break to pursue my interest in music, poetry, and creative song writing. So, with a head full of words, an innovative mind and the prospect and excitement of a new challenge, I've put pen to paper and written over five hundred song lyrics. (Volumes 1-5) comprising of 250 song lyrics is the paperback book version of the first (Five of Nine e books) published on Amazon Kindle under my pen name James Marlowe. Most of the song titles, stories, verses, chorus and words are taken from my two books and some are based on experience and lifetime choices. Copyright © James Marlowe 2021. Mama Mia Let Me Go! Auralcrave Books,2019-07-22 Every great rock masterpiece has a story to tell. Sometimes that story is true, confirmed, provable. Other times we talk about hypotheses, legends, speculation and rumours. Discovering the truth can be interesting, but the whole spectrum of stories surrounding the masterpieces we love includes stories that are not always 100% verifiable. This book tells those stories: a journey where what matters is what excites us.

Revealed Vhm McKechnie,Bh McKechnie,2020-10-28 This first edition of 'The Hidden Meaning behind the Lyrics of 501 Classic and Popular Songs' has been published as a comprehensive, concise, compact, and efficient guide to the meanings and origins of the lyrics to familiar, well-known and acclaimed songs. Each entry is written in a clear and uncomplicated style. Some songs have been recorded by numerous artists, such as 'Yesterday' by The Beatles, which has over 2,000 cover versions and 'Hallelujah' by Leonard Cohen, over 300. In such cases, we have made reference to the version recorded by the most well-known group or singer. Usually it is simple to interpret the lyrics of some great songs. Most have no profound meaning and just happen to have an appealing chorus, memorable riff, or easy to learn rhyming verses. However, many familiar songs with distinctive music have hidden meanings, which you may not be aware of, or over the years have misinterpreted. How many songs have you listened to and thought, What is that song actually about?

Badlands Lyric Analysis Book Emma De Arcaute,2016-10-01 The Lyric Analysis Books are a collection of modern literary works which main aim is to study and explore what encloses a specific artist and their project. It often happens that we only focus on the union of the two aspects of a compact disc: the moment when the music meets the lyrics. But what happens when these realities divide? What happens when the poetry inside of a song starts to speak up for itself? We try to interpretate it. I decided to share with you some opinions about Halsey herself about her project and the characteristics

which define her and her debut album Badlands.
