

The Secret To A Southern Wedding

Robert R. Redfield

The Secret to a Southern Wedding Synithia Williams, 2023-08-15 An emotional and witty story of love, forgiveness, and second chances as the race to the wedding day begins... It's been years since Dr. Imani Kemp has returned home to Peachtree Cove, Georgia. As Tallahassee's most sought-after OB-GYN, she doesn't have much time for anything else. But when her mom announces she's marrying a man she just met on a dating app, Imani knows she has to put a stop to it immediately. Let her mom be hurt again after the disastrous way her last marriage ended? Absolutely not. Always her protector, Imani won't rest until her mom sees reason. She just never expected sparks to fly with the groom's son... After his mother's tragic death, Cyril Dash and his father relocated to Peachtree Cove to escape the gossip and speculation. Now, in this quirky small town, they've made a new life for themselves, and after years of grief, his dad has finally found happiness again. And Cyril refuses to let Imani threaten that. The more determined he is to prove the strength of his dad's love, the more drawn he is to this beautiful, complicated woman who's determined to call off the wedding. But when Cyril's heartbreaking past comes to light, destiny won't be denied. Because the secret to this southern wedding is you never know how far you'll go in the name of love.

Scandalous Secrets Synithia Williams, 2020-08-25 Can they do what's right...without betraying their hearts? Senatorial candidate Byron Robidoux always does the right thing. And, after years of focus and dedication, his life and campaign are going exactly to plan—until a blackmailer jeopardizes everything. No one is supposed to know that thirteen years ago, Byron told a lie to protect a college friend. And now that lie could destroy his career...and threaten the woman he never stopped loving. Zoe Hammond hardly recognizes the refined and handsome politician Byron has become. The last time she saw him, he was the friend who saved her life by claiming to be the father of her unborn baby. For that, she'd do anything for him. Except Byron's world of wealth, reputation and deceit isn't a place where Zoe or her daughter belong. But when a menace from the past comes calling again, staying with Byron is best for them all. And, as the searing attraction between them builds, they soon realize some things are worth fighting for...especially love.

Foolish Hearts Synithia Williams, 2021-08-24 "Full of drama among the beautiful and powerful, the series would make a fabulous soap opera."—The Philadelphia Inquirer All they need is a second chance... It's been three years since Ashiya Waters walked away from Russell—and made the biggest mistake of her life. She knows she shouldn't dwell on the past. Love

isn't meant to last...and nobody taught her that better than her own family. But when her grandmother unexpectedly dies, leaving Ashiya in charge of a multimillion-dollar company, Russell is the only one who can help her...and things get complicated fast. Russell Gilchrist would do anything to be named COO of Robidoux Holdings—with all of the power and money that comes along with it. He's been desperate to solve the disappearance of his brother, Roderick, for years, and the Robidoux influence could finally turn this cold case hot—and give his family some much-needed closure. The job is his...if he helps Ashiya manage her new business. He'll just do his work and get out—that's the plan. But being so close to the woman who broke his heart is dangerous. Seeing her smile and feeling her touch makes him want to forget the past. But will this second chance at love burn them both? A Jackson Falls Novel Book 1: Forbidden Promises Book 2: Scandalous Secrets Book 3: Careless Whispers Book 4: Foolish Hearts

Careless Whispers Synithia Williams, 2021-03-30 She's falling in love with the one man she can't trust... Elaina Robidoux knows how people view her: coldhearted, ambitious, ruthless. But it doesn't matter. Running the family business is all she's ever wanted and she's so close she can almost taste it...until her father fires her and hires her nemesis—arrogant, unflappable Alex Tyson. Elaina may be hurt but she refuses to be defeated, so she throws herself into creating a business of her own. But she never dreamed that to close her first deal, she'd need Alex's help... Alex understands the power of a family legacy better than most and the last thing he wanted was to take that from Elaina. Her beauty and fierce strength are undeniable, but there's a softer side that no one but him seems to see. She's been taught that emotions are a liability, yet one impulsive kiss starts a chain reaction that neither of them wants to stop. But can love ignite—and survive—when secrets and loyalties collide? “[An] exceptional tale of forbidden love.” —Publishers Weekly, starred review, on *Forbidden Promises* Praise for Synithia Williams's Jackson Falls series “Williams (His Pick for Passion) makes waves with this exceptional tale of forbidden love.” —Publishers Weekly, starred review, on *Forbidden Promises* “A romance for readers looking for equal parts passion and family drama.” —Kirkus Reviews on *Forbidden Promises* “Politics, passion, and family drama combine to make a deliciously soapy second-chance, brother's-best-friend romance. Readers of Alisha Rai's *Forbidden Hearts* series or Reese Ryan's *Engaging the Enemy* will be tantalized and surprised by the many twists and turns.” —Library Journal on *Forbidden Promises*

Forbidden Promises Synithia Williams, 2020-02-25 What do you do when you want the one person you can never have? Get in and get out. That was India Robidoux's plan for this family visit. But when her brother needs her help with his high-profile political campaign, India has no choice but to stay and face the one man she's been running from for years—Travis, her sister's ex-husband. One hot summer night when Travis was still free, they celebrated her birthday with whiskey and an unforgettable kiss. The memory is as strong as ever—and so are the feelings she's tried so hard to forget. Travis Strickland owes everything to the Robidoux family. There's nothing he wouldn't do for them—his divorce could never change that. Still,

he has one regret. Impulsive and passionate, India always understood him better than anyone else. And the longer they work together on the campaign, the more torn he is. Coming between her and her sister is out of the question. But how can he let love pass him by a second time?

Suddenly This Summer Susan Mallery, Synithia Williams, Stefanie London, 2023-08-22 Nothing is sweeter than the first kiss of summer... Say You'll Stay by Susan Mallery Shaye Harper has sworn off men for good. But when she meets army vet Lawson Easley during a pit stop on the road to a fresh start, she's drawn in by the quirky town—and the handsome stranger she can't resist. Lawson knows there's no place better than Wishing Tree. Too bad the woman he's certain is "the one" is just passing through...unless he can convince her to give him and his hometown a chance at forever. This Time for Keeps by Synithia Williams Home to care for her ailing father, Michaela Spears is on a mission: reconcile with the one man she can't forget. She broke his heart years ago, so when Khalil appears on her parents' doorstep in his scrubs, she knows it's her last chance. Khalil Davenport shouldn't have taken the job as her dad's home nurse, but he couldn't resist her. Their timing was never right, but now can he trust that she's home to stay? Best Man Next Door by Stefanie London For Sage Nilsen, coming back to her small Massachusetts hometown for a family wedding feels like high school all over again. Except Jamie Hackett has gone from charming boy next door to handsome best man. And sparks are suddenly flying between the popular guy and the so-called outcast. As the wedding gets closer, Sage finds herself on the edge of something unexpected—a second chance in the town she left behind...with the guy she's never forgotten.

Curveballs Emma Markezic, 2019-05-01 Because sometimes, life is going to suck, and you're going to have to know how to handle it... What happens when you step on one of the great Lego pieces of life? When you get blind-sided? Thrown a curveball? When you get divorced? Or someone dies? You're going to need something more than the diarrhoea-like progression of motivational quotes we get fed on Instagram - you're going to need real-world ways to deal with a big, fat let-down. Because one will come for you, eventually. And when one came for comedian and journalist Emma Markezic in the form of a nasty cancer, despite the fact she found herself bald, broke and living alone, she felt more alive than ever. So she wanted to know why... Why does trauma affect us in such different ways? Why are some people more resilient than others? Why was she handling cancer better than other people handle a paper cut and, more importantly, was it a skill she could teach? When she wrote an article about how learning she might die made her the happiest she'd ever been, it became a media sensation and she knew she was onto something. With dozens of expert brain morsels and more than a little humour, Curveballs is a memoir-meets-self-help manual for how to keep it together when life tries to tear you a new one. Because you'll want to be more resilient than a tardigrade in outer space when it does*. *Microscopic eight-legged animals that can withstand 1000 times more radiation than humans, live for 100 years without water and literally just hang out in space like freeloaders at a Vegas buffet. See... you learned something already!
