There's A New World Coming Hal Lindsey,1984-07-01 Throughout the centuries, many people have sought to predict the course of human events. But none have compared to the incredible accuracy of the ancient Hebrew prophets. The time has come for us to wake up and realize where we are on God's timetable. These predicted calamities aren't going to happen to just anybody. They may well happen to your closest friends, or children, or family, or—you!

Hal Lindsey's There's a New World Coming Hal Lindsey,Al Hartley,1974

What in Heaven and on Earth Is Jesus Doing? James Mann,2018-08-09 Revelation is about the Lord Jesus Christ of the past, present, and future events. Jesus is called "the Beginning" and "the Last" of all history. On page 6, I have provided a puzzle as an outline to all of Revelation. Study guides after commentaries for each chapter provide answers to difficult verses. All attempts for practice applications are made for believers and warnings to those in doubt of God's stated future.

Finding the End of the World Ron Braley,2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel. Use what you learn to analyze Old Testament prophecies and apocalyptic writings - all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John. Round out your experience with in-depth studies of end-times players such as the Antichrist and the 144,000 'redeemed from the earth'. Finally, explore in great detail the major rapture positions and challenges presented by each. Ron Braley's book, Finding the End of the World, is a great resource for any serious student of God's Word. However, it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation, events of the End Times, and eschatological controversies. Instead, the author gives the reader and student the tools to delve into the Scriptures and discover the answers. Caution: This may lead the reader to question and even jettison some previously held views of the End of Times. While offering historical and theological background materials to consider, I believe the greatest value of this book is the study tools, guides and exercises it offers each student. The result is creating students of the Bible who know how to read and study for themselves. Ron Almborg, Jr. (B.A., Th.B., M.Div.). Ron Braley lives in Texas with

Joanne, his wife of 27 years. They have 4 grown children and 2 grandchildren. Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship, Inc. Please visit www.findingrevelation.com for free instructor materials, discussion boards, and opportunities to contribute to the discipleship cause.

Renewal Theology John Rodman Williams,1996 *Renewal Theology* deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, *Renewal Theology* represents the first exhaustive, balanced articulation of charismatic theology. *Renewal Theology* discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

Christian Millenarianism Stephen Hunt,2001-08-22 [To grasp this subject] one needs a multifaceted, multidisciplinary approach by a variety of expert hands such as have been brought together in this book. Here one has the whole argument, from the inter-Testamental and earliest Christian periods through medieval and early modern times up to the complex overlaps with the New Age, or Pentecostalism and Neo-Pentecostalism, or Judaizing movements like the Seventh-Day Adventists and the Peruvian 'Israelites.' —from the Foreword by David Martin Students with a serious interest in the manifestations of millennialism, and those concerned with the origins and motivations embraced by revolutionary ideologies will find this book an indispensable resource; . . . for laymen it offers a truly fascinating read. —Bryan R. Wilson This timely book examines the impact of Christian millenarian ideas in a comparative and historical perspective with a special emphasis on contemporary religious movements inspired by such ideas. The contributors are Andrew Bradstock, Eugene Gallagher, Malcolm B. Hamilton, Massimo Introvigne, Orestis Lindermeier, Kenneth Newport, Susan J. Palmer, Mark Patterson, Martyn Percy, Margaret Poloma, Stanley E. Porter, Ian Reader, Damian Thompson, Andrew Walker, Diane Watt, and Michael York.

The Charismatic Movement Charles Edwin Jones,1995-04-28 ... indispensable for all theological libraries and upper-division undergraduate and graduate collections generally. --METHODIST HISTORY ...the standard bibliographic source for the topic...Recommended for any library supporting the study of religion in the present-day U.S. --CHOICE

Children of Ezekiel Michael Lieb,1998 Discusses the relationship between the biblical prophet Ezekiel's vision of wheels in the air and the present day end-of-time concept as seen in various religious sects.

Matthew Frederick Dale Bruner,2007 Drawing on great church teachers through the centuries and on the classical

Christian creeds and confessions, this book asks both what Matthew's Gospel said to its first hearers and what it says to readers today. It shows how the focus of Matthew shifts, from Jesus teaching about who he is to teaching mainly about what his church is.

The Last Guardian Shane Johnson, 2001-02-20 In 1975, the life of Cornell graduate student T.G. Shass is forever changed when he finds himself in possession of a mysterious and ancient artifact. Unable to remember how he acquired it and powerless to rid himself of it, T.G. is soon shaken not only by the object's presence, but by a chilling encounter with evil and a jarring journey to another world. He was the most unlikely of all prophets. His was the most critical of all missions. Upon his return, T.G. discovers that Earth is no longer the home he knew. His sweetheart, Jenni, is missing, and all evidence indicates that she's been caught up into the macabre, unnatural realm he's just departed. His determination to find Jenni overrides the bitter aftertaste of his otherworldly experience, and T.G. seeks a way to go back. But his second journey holds far more than he imagines. Can T.G. fulfill his key role in God's plan to defeat the forces of darkness? Or will his imperfect faith lead to destruction as the last days draw to a climactic end?
