*Three Daughters of Eve* Elif Shafak, 2019-01-22 The stunning, timely new novel from the acclaimed, internationally bestselling author of *The Architect's Apprentice* and *The Bastard of Istanbul*. Peri, a married, wealthy, beautiful Turkish woman, is on her way to a dinner party at a seaside mansion in Istanbul when a beggar snatches her handbag. As she wrestles to get it back, a photograph falls to the ground--an old Polaroid of three young women and their university professor. A relic from a past--and a love--Peri had tried desperately to forget. *Three Daughters of Eve* is set over an evening in contemporary Istanbul, as Peri arrives at the party and navigates the tensions that simmer in this crossroads country between East and West, religious and secular, rich and poor. Over the course of the dinner, and amidst an opulence that is surely ill begotten, terrorist attacks occur across the city. Competing in Peri's mind, however, are the memories invoked by her almost-lost Polaroid, of the time years earlier when she was sent abroad for the first time, to attend Oxford University. As a young woman there, she had become friends with the charming, adventurous Shirin, a fully assimilated Iranian girl, and Mona, a devout Egyptian American. Their arguments about Islam and feminism find focus in the charismatic but controversial Professor Azur, who teaches divinity, but in unorthodox ways. As the terrorist attacks come ever closer, Peri is moved to recall the scandal that tore them all apart. *Three Daughters of Eve* is a rich and moving story that humanizes and personalizes one of the most profound sea changes of the modern world.

*Methuselah* Philip O. Cuddy, 2010-11 Biography I wrote the fictional book of *Methuselah* with the purpose of showing why

man brought the judgment of the flood upon himself. I decided to write this story after 30 years of thinking about Methuselah. When I first started to piece together what Methuselah saw, who influenced him and who he influenced I became in awe of his life. Nine out of ten names in the book of Methuselah are taken from three different books, the Bible, the Book of Jubilees and the Book of Enoch. I believe that the evil conditions found before the flood that brought the judgment of God upon the earth is manifesting itself in the world in which we live today. Judgment is coming, but God is longsuffering and has given us a way to escape the wrath to come just as he did before the great flood. Endorsements This is an amazing alternative to Harry Potter. Tom M. What an exciting movie this would make. Brad W. This is true history with added imagination. Aaron P. For anyone who believes in creation this is a must read. John T. Book Summary Find yourself seeing the world before the flood through the eyes of the oldest man that ever lived. Experience all of the patriarchs and their time slot in history. Watch how the world slips into the condition we find ourselves today. As it was in the day of Noah.
