Jayem

The Way of the Heart Henri J. M. Nouwen, 1999-01-01 Tale on how can Christians live as God wants in today's world.

The Way of the Heart Jayem, 2014-08-05 'The Way of the Heart' is a collection of Jeshua's teachings, faithfully transcribed from the original channeled audio recordings. It forms the third volume of the five essential 'Way of Mastery' texts. Jeshua shares: The Way of the Heart... is that pathway that begins with a commitment to healing and awakening, and is founded on the premise that you are perfectly free at all times. And everything that is experienced has been by your choice. And at no time has there been any other cause. His invitation to us is to wake up from every illusion that we have ever been separate from God, and to remember the deepest Truth of who we are: Christ. This is the only authorized version, precisely it was first given and including the original question and answer sections. Nothing has been added in the transition from audio to text: no chapter titles appear, nor themes given to sub-sections - for He gave none. Read the first chapter in the book preview and experience the energy of these exquisite teachings for yourself!

And everything that is experienced has been by your choice. And at no time has there been any other cause. The Intimate Way of Zen James Ishmael Ford, 2024-07-23 An intimate mystery encompasses you and tugs upon your heart—what does it mean to follow that tug across the arc of a spiritual life? Reflecting out of more than fifty years of practice in Zen Buddhism, Unitarian Universalism, and other contemplative traditions, James Ishmael Ford invites us into a journey through life's mysteries and the stages of spiritual development. Lightly structured by the archetypal Buddhist oxherding images, Ford's exploration is rooted in the Zen way while being deeply enriched by various strains of world

mysticism. The book, sprinkled with insights and quotes from Buddhist, Daoist, and Christian traditions, serves as a map and a companion to spiritual seekers or pilgrims—whether within one religious tradition or cobbling together a way of one's own. "Here is the most natural of all natural experiences," writes Ford. "In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way."

The Way of the Heart Sofia Martinez del Campo, 2025-03-14 *The Way of the Heart: The Power of Love Within You* is an invitation to return home -to yourself, to the love that exists within and all around you, and to the interconnectedness of all life. In a world that often feels fast-paced and disconnected, this book offers a path to rediscover your natural essence, embrace your truth, and live from the wisdom of the heart. Through personal stories, reflective insights, and transformative practices, you will be guided to reconnect with the love that is already within you. You will learn how to stop fighting against yourself, release fear, and use life's challenges as opportunities for self-understanding and fulfillment. As you remember the power of love within, clarity emerges, and a new way of being unfolds—one rooted in harmony with yourself, others, and Mother Earth. This book is for those who seek to cultivate a deeper connection with their essence, embrace love as a way of life, and walk the path of the heart with presence, courage, and grace.

Heart of Darkness (Fourth International Student Edition) (Norton Critical Editions) Joseph Conrad,2016-04-04 The Fourth Edition is again based on Robert Kimbrough's meticulously re-edited text. Missing words have been restored and the entire novel has been repunctuated in accordance with Conrad's style. The result is the first published version of Heart of Darkness that allows readers to hear Marlow's voice as Conrad heard it when he wrote the story. Backgrounds and Contexts provides readers with a generous collection of maps and photographs that bring the Belgian Congo to life. Textual materials, topically arranged, address nineteenth-century views of imperialism and racism and include autobiographical writings by Conrad on his life in the Congo. New to the Fourth Edition is an excerpt from Adam Hochschild's recent book, King Leopold's Ghost, as well as writings on race by Hegel, Darwin, and Galton. Criticism includes a wealth of new materials, including nine contemporary reviews and assessments of Conrad and Heart of Darkness and twelve recent essays by Chinua Achebe, Peter Brooks, Daphne Erdinast-Vulcan, Edward Said, and Paul B. Armstrong, among others. Also new to this edition is a section of writings on the connections between Heart of Darkness and the film Apocalypse Now by Louis K. Greiff, Margot Norris, and Lynda J. Dryden. A Chronology and Selected Bibliography are also included.
