Hope out of Darkness: A Guide to First Responder Mental Wellness Dena Ali,2024-11-11 In Hope Out of Darkness: A Guide to First Responder Mental Wellness, Dena Ali, battalion chief with the Raleigh, NC, Fire Department and sought-after speaker, delivers a comprehensive exploration of the mental health issues facing first responders. The 52 Weeks Karen Amster-Young,Pam Godwin,2013-11-05 Edging into forty-something, Karen and Pam found themselves in a state of stuck. They had checked off many of their major life goals—career, husband, children, friends—but they’d lost momentum. After griping over drinks one night, they came up with a plan to face their fears, rediscover their interests, try new things, and renew their relationships. They challenged themselves to try one new thing every week for a year—from test-driving a Maserati to target practice at a shooting range to ballroom dance lessons—and to blog about their journeys. They quickly realized it was harder than they ever imagined but came through it with a sense of clarity and purpose that has them itching to share the possibilities with the millions of middle-aged women out there who feel the same way about one or many areas of their lives. Getting unstuck doesn’t have to mean running a marathon, traveling the world, or ending a relationship with your partner. Through their experiences and a good dose of no-nonsense advice, Karen and Pam

show readers how achieving small goals can give you a renewed sense of accomplishment and how you can keep growing, learning, and moving forward at any age. Interspersed with personal stories is expert advice from doctors, psychiatrists, artists, and even a poker diva (who also happens to be a Fortune 500 executive).

You Take Care Laura Henshaw,Steph Claire Smith,2023-01-31 A realistic guide to looking after yourself in your twenties and thirties, from the founders of the mega lifestyle brand, Keep It Cleaner. 'Generous stories and lessons from authors who feel like friends.' Jamila Rizvi 'Bursting with life-changing content' Hugh van Cuylenburg 'This is the book we wish we'd been given when we hit our twenties. It's not about perfection; it's a realistic guide to finding love for yourself in your day-to-day, inspired by the incredible experts we've met and the lessons they've taught us.' When you hit your twenties and thirties, there's no blueprint for taking care of yourself while balancing all the things life throws at you. How do we become body confident in a world that focuses on our flaws? What's the secret to forging connections at work and at home while maintaining healthy boundaries? And how do we avoid falling prey to the anxieties and shame triggers that prevent us from experiencing joy? Add to that worrying about money and the bigger picture of our lives and it really can feel like too much. Laura Henshaw and Steph Claire Smith are best friends and creators of the massive health and lifestyle brand Keep It Cleaner. *You Take Care* is their way of sharing their journeys with you - everything they've learnt about taking care of their mental health, bodies, and relationships with those around them, including thoughts on motherhood and a search for progress over perfection. No two journeys are the same, and there will always be bumps along the way. But this uplifting and friendly guide is like having a best friend in your pocket, cheering you on through it all.
