**Networks of Power** Dennis W. Mazzocco,1994 This book is a startling expose of the increasing threat to free speech a democratic government. Mazzocco describes the ways that an ever-expanding U.S.-based multinational media cartel velis the machinations of the corporate state by dominating worldwide markets for TV, radio, newspapers, books, movies, cable, recordings, and videos.

The Radio Station John Allen Hendricks,Bruce Mims,2018-05-01 The Radio Station offers a concise and insightful guide to all aspects of radio broadcasting, streaming, and podcasting. This book's tenth edition continues its long tradition of guiding readers to a solid understanding of who does what, when, and why in a professionally managed station. This new edition explains what radio in America has been, where it is today, and where it is going, covering the basics of how programming is produced, financed, delivered and promoted via terrestrial and satellite broadcasting, streaming and podcasting, John Allen Hendricks and Bruce Mims examine radio and its future within a framework of existing and emerging technologies. The companion website is new revised with content for instructors, including an instructors' manual and test questions. Students will discover an expanded library of audio interviews with leading industry professionals in addition to practice quizzes and links to additional resources.
