Psychology of the Extreme Arie W. Kruglanski, Sophia Moskalenko, 2025-02-26 What does extremism mean? How does it show up in our daily lives? What drives people to extreme behaviors, and how can we learn to live and thrive in the age of overdrive? The Psychology of the Extreme provides an accessible introduction to extremism as a force that can affect all aspects of culture and people's choices in everyday settings. It explores the underlying psychology behind what makes people act in extreme ways, whether this is in destructive ways (such as gambling, terrorism and political violence) or in constructive ways (such as successful creators and scientists). The book features an array of case studies that show how extremism can be both pro-social and anti-social and includes interventions to reduce extremism or redirect them toward more positive and constructive tendencies. Offering a new understanding of the individual psychology of extremism, the book will appeal to all those interested in how extremism plays out in people's and cultures' day-to-day lives.

LOST SOULS Adrian Gabriel Dumitru, Being lost ... seen as an addiction ... I couldn't find myself. ... by a long, long time. I was trying to find something ... which could help me heal my soul ... but most certainly it was not going to be an easy process. I needed ... therapy. But ... of course ... i could not accept something like that. I was already writing by few years. ... doing it as self therapy. And ... still I was feeling i needed more than that. I didn't knew what ... but i knew that the right experience will be revealed to me. Sooner or later. But ... one day ... i've heard that the war started. Lots of refugees ... were coming to my country. ... and my city. I don't know ... what really convinced me to do it ... but i jump into the car ... go to the bus station where the refugees were coming ... and i meet with a lady with 3 kids. I smile ... and convince her to come at me ... with her 3 kids. A lady policewoman ... came to me asking lots of questions. ... finding it weird ... that i take this lady with me. But ... into the end ... i help her with the baggages ... and we drive to the first house which i prepared for this new story of my life. In those moments ... i didn't realised what was going to happen to me. ... especially into the near future. Fortunately ... a weird inner force was guiding me ... into the whole process. So ... a lost soul ... was inviting lost souls ... to his home. That was only the start. Later on ... new and new refugees were coming to me. I was just going to the train station ... and connecting with the volunteers ... i was immediately taking another 3-4-5 people to my home. In the night ... before going to sleep ... meditating ... the same question appeared into my mind ... How the hell ... you Adrian ... are inviting those

refugees to your homes?! You're the most weird soul ... i've ever saw during this life time... and now you try to be a saviour ... for all those people ... which were running away of war?! But ... i was smiling. I've already accepted my status ... of lost soul. I was not denying it anymore. I found it ... normal to accept it. And of course same as people addicted to drugs stay together, or the people addicted to alcohol prefers the alcoholics ... a lost soul ... as myself ... had to experience life ... in the company of other lost souls. But ... it was all karmic. Yes ... karmic experiences. For me ... and for all the ones that were visiting me. I guess ... all was normal. I was attracting ... souls as myself. All being ... my weird reflections. So ... a new chapter of my life started. A ... weird one. But ... extremely interesting. Revealing in fact ... that being lost ... was actually ... an unexplainable addiction ... having probably the purpose to reveal me ... while connecting with all those people following pathless path ... the secrets beyond the human being. And ... it all proved to be a story with many chapters ... and also many, many episodes. ... whispering me ... abstract messages. In continuous form.

Coffee with Jesus Craig F. Harrison,2024-10-08 In 2019, the author experienced a deep and dark night of the soul. In that darkness, he felt abandoned by God. Coffee with Jesus emerged at a 3:00 a.m. encounter with God. It was during the pain, abandonment, and betrayal that the author moved from a religious relationship with Jesus to a deep personal journey of healing and growth.

Staying Alive Fakhrah Aziz,2023-12-21 Mihrima Fatima is a cynical soul. Saaeb Ali is optimistic. She finds herself Incapable of falling in love. He is determined to make her. For her, he's just a friend. While he has been in love with her, since forever. Falls are never good, but you can't always check to see if there's ground beneath your feet. Right? You must have read about Grumpy x Sunshine, now give Black Hole x the Sun a read.

Up From Here Iyanla Vanzant,2003-06-03 For men — and the women who love them — a guide to transformation and true power The world needs your light. The world needs your life. Every woman and child needs you also. Few men are taught the true spiritual essence of masculinity. In Up from Here Iyanla Vanzant empowers men with the insight and skills they need to identify, name, and understand their feelings, as well as to overcome the old patterns of behavior that result from misusing or not tapping into their emotional strength. In clear terms Vanzant shows men how to use the energy of emotions to move beyond painful, negative feelings such as rage, shame, fear, and anger to authenticity and strength. Like the phoenix, you can rise up from here, out of the ashes of the crash and burn of the past, to claim your true identity and power. By using Vanzant's power tools men can transform their frustrations and failures in love, life, and work into opportunities to claim their true potential and purpose.

The Animus of Identity: Shame Lee Baglin,2023-08-18 What are you? Who are you? What is it that makes you, you? Why are you? Explore with me as I use my own experiences, along with those of others I have met along my journey, the concept

of identity, and how your trauma and circumstances can shape the person you become.

The Man Who Walked on Water Jacob Beaver, 2017-01-17 A trip to Appalachia to investigate a religious miracle becomes a transformational spiritual journey for one unsuspecting Londoner in this modern tale that touches on the mysterious questions in our lives—a poignant, wry novel infused with the humor and warm skepticism of Nick Hornby's *How to Be Good*. Dumped, depressed, and bored with his dead-end job, Londoner John Mallory decides to shake up his life. He accepts his journalist brother's offer to help him on a documentary film investigating a pastor in rural Tennessee who claims he can walk on water. Locals are convinced it's the Lord's work. John and his brother, Steve, have their doubts, and hope the film will answer the question: Is it a true miracle—or a giant hoax? When John arrives in Appalachia, he discovers a few unexpected surprises, including a charming hotel receptionist who catches his eye and the charismatic, deeply religious pastor who coyly dodges the fact-focused investigation. The deeper John becomes immersed in this charming bucolic community that is so different from the harried, cold London he knows, the further conflicted he becomes. At a spiritual crossroads, John must decide what he wants: to force a decent man to prove his faith and return to an empty urban life—or to explore the possibilities this new world of mystery, warmth, and faith-focused life holds? Jacob Beaver's beautiful and witty novel challenges the assumptions and certainties of a logic-driven, mainstream urban culture, offering an inviting alternative perspective that is open to mystery and new beginnings. "Beaver writes well with very vivid descriptions of people, places, and states of mind. Unexpected, strangely satisfying, and great fun!" — Lisa Alther, author of *About Women: Conversations Between a Writer and a Painter* and *Kinflicks* "The Man Who Walked on Water is a gentle, curious, attentive, and intelligent book. Jacob Beaver sees Southern Appalachia through fresh eyes, and he's got a wonderfully straightforward approach to the old problem of being a hurt person in a beautiful world. I loved it." — James Whorton, author of *Frankland*
