## Ann Hood

**Clementine** Ann Hood, 2023-05-23 New York Times best-selling author Ann Hood pens a poignant story of grief and adolescent despair in this follow-up to *Jude Banks, Superhero*. Meet Clementine. She's quippy, sarcastic, and dramatic. And the overwhelming guilt of her sister's death weighs on her so heavily that she no longer feels like living. As Clementine and her mother attempt to continue their lives after Halley's death, the world around them changes. Clementine's best friend now feels like a stranger. Her new school is full of spoiled, carefree kids. She kisses boys just to feel something. She tries to live in the moment. But ultimately, Clementine feels trapped in a snow globe: the real world is out there, while she's stuck in a world where tears like gallons fall all around her. In her signature lyrical prose, Hood crafts an extraordinary story of grief and guilt, asking the important question: How can you find the will to live again in the face of overwhelming despair? Praise for *Jude Banks, Superhero*: Hood is brilliant at showing the ordinary moments of a family's heartbreak... There are many readers who are navigating guilt and sorrow right now — for them, this book is a must. And for those lucky enough to take the journey only in their imaginations, this is a story of resilience in the face of devastating pain.”—New York Times Book Review A tender story of grief and joy... a remarkable read.—School Library Connection (Starred Review) Hood's careful gardening of emotions makes this a striking read... Fans of Ali Benjamin's *The Thing about Jellyfish* will appreciate Jude's search for meaning and reason as he learns to live around the hole his sister has left.—Booklist (Starred Review) “Ann Hood tells Jude's story of grief without coating it in too much sugar; it's real, and therein lies its power. Jude Banks is a mirror for anyone who's experienced loss, and a testament to the power of human connection.”—Jack Cheng, award-winning author of *See You in the Cosmos* Jude Banks is warm and inviting, even as it balances the difficult topics of loss and healing—a powerful and compelling story for anyone who has known loss.—Rex Ogle, award winning author of *Free Lunch*

*The Binge Watcher's Guide to Riverdale* Melissa Ford Lucken, 2021-04 Busted families, broken hearts, secrets and corruption are the lifeblood of The CW's gothic horror series *Riverdale*. The show is based on the original Archie comics, but this sinister town is a far cry from the wholesome, anyplace USA depicted in 80 years of the teen adventures featuring

Archie, Jughead, Betty, Veronica, and the rest of the gang. This Riverdale is an other-worldly, ominous place where enigmatic parents and cunning town leaders hide wicked secrets while teens struggle to survive. The Riverdale gang face the definitive dilemma: good vs. evil. They fight ghouls, a cult leader, a serial killer, and each other—all while sporting inspiring outfits and photo-ready hair. Great music, the occasional Vixens cheer dance-off, and too-steamy-for-high-school sex scenes add an undeniable layer of watchability to the fan-favorite show. This bestselling Binge Watcher's Guide will get you through all seven seasons. Keep the book beside you while binging; the trivia, quotes and episode commentaries will inform and entertain. Want more? The literary analysis, connection to the comics, and resources have you covered.
