**Nicholas Elliott**

With My Little Eye Gerald Hammond, 2016-04-01 From the author of *A Dog's Life*, a “delightful cozy . . . full of good humor and a touch of romance” (Booklist). Surveyor Douglas Young stumbles across rambling Underwood House, near Edinburgh, one day whilst walking his dog. He realizes its potential immediately, and after it is developed into flats he becomes the anointed leader of the residents. So when one of his neighbors is found dead, Douglas and his young assistant Tash become irrevocably involved in the police investigation. But the plot thickens when a shocking discovery is made in the deceased's flat . . .

With My Little Eye Jacky Strong, 2012-02-29 At the start of 'The Troubles' the British Army needed people on the ground, people they could trust. They searched their ranks to find men willing to live and work within the community and report back. So it seemed simple enough for William Deery, just work on the buses and report back what he saw. He was pushed in at one end and sucked in at the other and finds himself getting deeper and deeper into the murky world of the IRA. All men have their limits and Deery found his.

*I Spy With My Little Eye...* T.K. Wrathbone, 2018-11-15 \*to be read first before *Knock, Knock...Who's Dead?* and *It Creeped at Midnight*\* Blake Williamson wants he and his friends to become the new One Direction, but Melissa, a scowling stepmother who wants nothing to do with her stepson, banishes Blake and his friends to the attic with the warning; If he wants to sing and dance, he must clean out the attic and use it. Spending hours cleaning and dusting, Blake discovers long-lost treasures and photos of happier times just a few short years ago. And then a strange thing happens... A hole emerges through the adjoining wall, and unable to contain their curiosity, Blake and his friends peer through, only to find very strange things indeed... An ominous green glow emanates through the hole and they see arms and blood flying through the air. But Blake's not sure if he's seeing things or just not being told the truth... All he wants is for his mother to come back to him, and the neighbours say they can make it happen, but they want his stepmother in return...

**With My Little Eye** Joshilyn Jackson, 2023-04-25 From the New York Times bestselling author of *Never Have I Ever* comes the hair-raising story of a mother who moves herself and her daughter across the country to lose a dangerous stalker--only to discover that it will take more than distance to escape him. It started with the letters... For actress Meribel Mills,

disturbing fan mail is part of the price of fame. So when she starts getting creepy letters written in fruit-scented marker she is mostly unphased and diligently files them along with her other messages from unhinged fans. After all, she's a single mom approaching forty, not the kind of hot young celeb who sparks dangerous obsessions. But there's something different about Marker Man... He's been in her home... Meribel's sheets smell of unfamiliar cologne, and objects have gone missing around the house. Plus, the letters have become more perverse, with drawings of a naked Meribel tied up or chopped into pieces. While the police insist that stalkers hardly ever escalate to violence, Meribel has played the dead girl one too many times on TV to risk becoming her in real life. She and her daughter move from Los Angeles to Atlanta for a fresh start--but no distance is great enough. He's watching her... Years of being in front of a camera have given Meribel a superpower--she can feel eyes on her, a creeping sensation like bees inside her skin. And someone definitely has her in their sights. Could Marker Man have followed her all the way across the country? Who else might be watching--her ex-husband? The lover she left behind in LA? Her new neighbor? Suddenly, every man in her life is a suspect, but she can't keep herself and her daughter safe from a monster she can't identify. When the paths of all of these men collide, Meribel will find herself alone in the fight of her life, desperate to protect those she loves as danger closes in from all sides.

*I Spy With My Little Eye* Emma Treleaven, Samuel Treleaven, 2023-05-16 Ever heard of a 'patching princess'? Do you believe in magic?

My Little Eye Curtis Voisin, Serena Tam, 2021-01-22 Superpowers are often more than meets the eye! A playful children's book with a big message, My Little Eye teaches early childhood readers the importance of accepting and celebrating others, regardless of physical differences. Join a game of "I spy" to find the things that not everyone sees—including the goodness inside me and you. This story is dedicated to the authors' son Theodore, an energetic and curious little boy who was born with microphthalmia, a rare condition that makes his eyes appear different sizes. With My Little Eye, their wish is to change the narrative of how those who are differently abled are viewed, both by themselves and others, showing how kindness, love,

and thoughtful actions are what matter most about a person. 5% of the proceeds from each book will go to the Sick Kids Foundation and 5% to support the Vision Institute of Canada.

With My Little Eye Sandra Hogan, 2021-02-02 The very funny true story of three children recruited by their parents to work for ASIO in the 1950s. 'Hilarious, moving and brilliantly told' - Susan Johnson 'It reads like the very best of spy thrillers.' - Matthew Condon 'An intimate and compelling look at an ordinary family who happen to be ASIO agents.' - Kristina Olsson Growing up in the 1950s, the three Doherty children were trained by their parents to memorise car number plates, to spot unusual behaviour on the street and, most important of all, to avoid drawing attention to themselves. The children became unwitting foot soldiers in Australia's battle against Soviet infiltration in the Cold War. They attended political rallies, stood watch on houses owned by communist sympathisers, and insinuated themselves into the UFO Society. In 1956 the Doherty family went on a beach holiday with Vladimir and Evdokia Petrov, the famous Soviet defectors, who were hiding from Soviet assassins. Dudley and Joan Doherty swore their children to secrecy, and for decades, they didn't even discuss among themselves the work they did for ASIO. With My Little Eye is a poignant and very funny account of a peculiar childhood in 1950s suburban Australia.
