In this book, all the secrets of mastering your emotions and attitude are revealed. Socrates said a person should employ time in improving oneself from other men's writings, so he shall gain easily what others have labored hard for. Emerson, on the other hand, pointed out that great men are those who see that spirituality is stronger than any material force, and that thoughts rule the world. The key is in the mind. Would you like to be wise, happy, free, and rich in thoughts and action? Do you want to be able to deal with any difficulty in life? Do you want to be free? Whatever questions you want answered or whatever knowledge you seek can be found in this book. Some of the greatest minds the world has ever seen shed light on those things we must face on this short journey we call life. Experience mental ecstasy with ideas on action, adversity, attitude, beauty, cause and effect, character, courage, death, education, emotion, fear, faith, friendship, happiness, hope, laziness, love, money, purpose, virtue, wisdom and the soul.
