Claimed by the Alpha J. Raven Wilde, 2019-02-26 All Gemma wanted to do was get away from werewolf politics and her dominant, alpha father, who had done nothing but control her life. She wanted nothing more than to be a free woman and not be forced to marry another controlling male. When she ran off to the other side of the country, she didn't think that she would be running into another dominant alpha male, Aiden. He shows nothing but distaste toward her. She would leave, but she's financially strapped and has nowhere else to go. It would also seem that wherever she goes, he's there. Aiden had tasked his brother John to hire an assistant for their company, giving him strict rules not to hire a woman. So, it came as a surprise when John went against Aiden's requests and hired Gemma. One sniff of her and Aiden is having a hard time controlling not only his temper, but the urge to shift. There is something about her that stirs his wolf. But he doesn't figure out what it is until another alpha wolf comes into his territory and takes Gemma. Will Aiden come after her, or will he let her go? Will Gemma finally concede to live life among the wolves, or will she run again? The Alpha's Breeder Tay T., 2020-01-29 Meet Eros Hall, an Alpha who isn't arrogant, domineering or egocentric, and fall in love just as hard as our main character does. After being kidnapped by a group of vengeful werewolves, Emira finds herself in one hell of a situation. First, she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct. Second, her true soulmate is a powerful Alpha who is hell-bent on keeping her. And third, to make matters worse, she only has six moon cycles to be marked, mated, and pupped. What does that even mean? ***This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering.*** Reviews I have to be honest, I'm only a few chapters in, but I am enjoying this story immensely that I feel the need to share my thoughts now. First of all, this story is just a great product of the author thinking outside the box. When I first read the title, I expected it to be about a female werewolf who had to be mated to the alpha. Now I'm trying to figure out what kind of species the main character is! Second of all, I've only read the first couple chapters and I'm already hooked. I'm on the edge of my seat, waiting impatiently to see what's going to happen! And the intensity of the kidnapping is very well detailed. As for grammar/spelling/punctuation, I see very minimal to no mistakes at all. I definitely recommend people read this book! Can't wait to read more!—Charlotte Moore This is one of the best book I've read before. Reading this book will make you feel like you're on a emotional roller coaster. It makes you wish you were actually in the book living with all those different people and wolf. I found myself getting attached to all the characters. The storyline is amazing and I love that this

book is unique. You will never find a book with a similar plot. Again this is a good book.—Davina Nkasa This book is by far one of my favorites.—Savannah Burge An amazing story. Captivated from the beginning. Worth reading and falling in love with it.—Sakina Naeem What a brilliant story. I was captured from the very beginning and was pleasantly surprised that it didn't turn out at all like I thought it would.—Tinkerbelle Leonhardt Too awesome! LOVE this story soooooo much and I can't get enough of it. I would recommend this story to anyone who likes to read about werewolves, soul mates, and romance. Love you Tay Tay for writing this awesome story!—Victoria Aye Interesting and addictive. I just couldn't stop reading it.—Angel Agams It's hard to find werewolf stories with a well written plot. There was a background to characters and each scene gave enough description to understand what's going on. This is on my list of good werewolf books to read. I hope you write a sequel!—Rachel Pittman In the beginning I was disgusted by the idea of a 'breeder' and all that crap, more specifically how who finds her first, 'owns' her. But I quickly started to realize that the plot-line could be amazing if written by the right author and that's exactly what happened here. I'm usually not a fan of these kinds of werewolf stories where the 'mate' doesn't have a say. But in this story she does, and she is in a loving and protected relationship. If you like werewolf stories you will adore this book.—Alice This book is a MUST read!! It's sooo good! It has a unique plot line that is not your everyday cliché werewolf novel! The main character, Emira, is so funny and relatable! And don't even get me started on Eros!! He's hot, period. It's different and I HIGHLY recommend it!!—Kari

Series Box Set Darla Dunbar, A Paranormal Shifter Romance Series When the memory of Brody is erased from Sarina's mind, he has to win her love all over again. ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** This complete set contains Books 1 to 5

- 1 - Blood Lines Twenty-four years have passed in relative peace for Amanda and Romeo. They've raised five children into adulthood and are thoroughly enjoying their lives as the Alpha King and Queen of the werewolves. At twenty-four, Sarina is just stepping into her powers and will be ripe for mating when her birthday comes in two weeks. What no one knows is the danger that lurks just outside their tight knit community. Romeo has made peace with the other clans and has enjoyed that peace, but it will all come crashing down around him when his oldest daughter comes of age to take a mate.
- 2 - Alpha Infiltration Brody is an attentive and loving mate and Sarina finds herself engulfed by the love of her family. When things start to change with the twins though, Sarina finds herself torn in two. She loves Brody in a way she's never loved another man, human or wolf. When he shows signs of the dark void, however, she can't decide whether to run from him or to him. She's frightened for both of her sons and struggles with her own mortality.
- 3 - Alpha Bait Lilith is on the loose, plotting and planning with Fenris to take down the Delta pack and its alpha, Romeo. Sarina and Brody have their work cut out for them in order to stop the hostile takeover. With their wedding on the horizon, both feel compelled to spend time with their family even as danger lurks around every corner. When the twin babies, Jedidiah and Brody Jr., go missing, all hands are on deck to search for the leaders of the next generation of the Delta pack. And as Sarina and Brody dig deeper into Lilith's past, especially where Romeo is concerned, they find a mind twisted by deception and an overly unhealthy obsession with power.
- 4 - Alpha Strategy With Lilith's soul separated from her body, Romeo and Amanda are bent on seeing her body destroyed so that she never comes back again. What they've forgotten in the meantime is that Lilith wasn't alone in her desire over control of the Delta pack and Romeo. Sarina and Brody are finally enjoying a quiet life, not that they expect it to last long. Their wedding, a source of great stress, is just weeks away. With all that's going on though, Sarina wonders if she'll ever be able to legally wed her mate.
- 5 - Alpha Revelation Lilith has haunted the Traverse family since the beginning but her obsession with the reigning alpha and his immediate family is more than Romeo's eldest daughter can stand. In a twisted allegiance with her first mate, Fenris, Lilith has caused unbearable pain to the Delta pack's community and now she has gone as far as to make a deal with the Devil. She has comfortably inhabited Sarina's body, playing wife to Brody and mother to the couple's twin boys. Digging her way up from Hell wasn't easy, but Sarina harnesses powers that rival even those of her mother.
