Awkward Moments (Not Found in Your Average) Children's Bible - Vol. 3 Horus Gilgamesh, Holly Akers, 2018-04

Combining real Bible verses with whimsical original illustrations, Awkward Moments uses humor to encourage people from all walks of life to think about the Bibles on their shelves, perhaps for the first time. Let's be honest - there are some things in the Good Book that are just... awkward! There are verses we'd like to forget or that have been changed throughout the centuries. There are many verses you've never heard before in church, let alone seen in your average children's Bible! Not to mention the verses that have been added over the centuries! Most people were raised in the faith chosen by their family. Young kids learned a few Bible stories taken out of context and accepted them without question. After decades of repetition and tradition, it's understandable that we might put our beliefs on auto-pilot and just nod as a pastor repeats the verses and ideas that are already familiar and comfortable to us. It's no wonder that recent studies show an incredible lack of Biblical knowledge among Christians - 55% unable to even name the four Gospels of the New Testament - the very foundation of Christianity! Our goal? To get people to really read their Bibles and think for themselves. We hope these illustrations and commentaries will encourage readers to ask some important questions - for themselves, for their children, for their culture, and for their society. If we get a good laugh out of our readers in the mean time - it's a bonus!

Awkward Moments (Not Found in Your Average) Children's Bible - Vol. 2 Horus Gilgamesh, Agnes

Tickheathen, 2014-08-01 STILL NOT FOR KIDS! If you thought our first bestseller was inappropriate for kids, this volume is barely appropriate for adults! More incest, genocide, talking animals, wrestling matches, martyrs, abortion, magic, homosexuality and selficide! What would Jesus do? You might be surprised what His own family thought of Him! From the opening foreword by Evangelical pastor, author, and professor Dan Kimball (of Vintage Faith Church), to the challenging commentaries in the second half of the book, Awkward Moments Children's Bible is much more than an irreverent book for your coffee table! Readers of all faiths will find themselves laughing out loud while being encouraged to think about the Bible in a new way. Let's be honest - there are some things in the Good Book that are just... awkward! There are verses we'd like to forget or that have been changed throughout the centuries. There are many verses you've never heard before in church, let alone seen in your average children's Bible! Not to mention the verses that have been added over the centuries! Most people were raised in the faith chosen by their family. Young children learn a few Bible stories taken out of context and accept them

without question. (On what basis could they possibly question their parents or church leaders?) After decades of repetition and tradition, it's understandable that we might put our beliefs on auto-pilot and just nod as a pastor repeats the verses and ideas that are already familiar and comfortable to us. It's no wonder that recent studies show an incredible lack of Biblical knowledge among Christians - 55% unable to even name the four Gospels of the New Testament - the very foundation of Christianity! The Goal? Awkward Moments encourages readers to really understand what is in their Bibles and think for themselves about the context of Biblical teaching. The 32 color illustrations and included commentaries will likely challenge some readers to reflect on how religion continues to shape the lives and culture of future generations. If readers happen to laugh out loud in the mean time - it's just an added bonus! Skeptical about a verse? Crack open your favorite Bible and read along to share the Good News with friends! REMEMBER: Don't blame us, it's in the Bible!

Awkward Moments (Not Found in Your Average) Children's Bible - Vol. 1 Horus Gilgamesh, 2013-10-01 Combining real Bible verses with whimsical original illustrations, Awkward Moments uses humor to encourage people from all walks of life to think about the Bibles on their shelves, perhaps for the first time. Let's be honest - there are some things in the Good Book that are just... awkward! There are verses we'd like to forget or that have been changed throughout the centuries. Awkward Moments (Not Found in Your Average) Children's Bible - Volume #1 Horus Gilgamesh, 2013-10-10 How well do you know the Good Book? Written by a retired ministry leader, this book combines actual Bible verses with more than 30 whimsical original illustrations and commentaries to encourage readers (from all walks of faith) to think about how the Bible shapes our culture as Christianity continues to evolve. What began as a private online gag among interfaith friends quickly grew into a #1 Amazon Bestseller on its first day of sales - enjoyed by fundamentalist Christians and militant atheists alike! BEWARE - NOT FOR KIDS! This is definitely not your average children's Bible! If you thought the bestselling parody Go The F**k To Sleep was inappropriate for story-time with kids, you haven't seen anything yet! Leave it to the Bible! However, this book is not a satire, but a real look into some of the more troubling passages from both the Old Testament and

the New Testament - including the words and teachings of Jesus Christ, himself! Unicorn Murders Genocidal Behavior Foreskins Fetishes Boiled Babies Missing Messiah Selling Daughters Cannibalism Club Genetic Breakthroughs Demonic Bacon Gagged Women Jihad Jesus Historical manipulation of the Bible And much more! Let's be honest - there are some things in the Good Book that are just... awkward! There are verses we'd like to forget or that have been changed throughout the centuries. There are many verses you've never heard before in church, let alone seen in your average children's Bible! Not to mention the verses that have been added over the centuries! The Awkward Moments Children's Bible is much more than an irreverent book for your coffee table! Christian readers, agnostics and atheists will find themselves laughing out loud while being encouraged to think about the Bible and Christianity in a new way. Most people were raised in the religion chosen by their family. Young children learn a few Bible stories taken out of context and accept them without question. (On what basis could they possibly question their parents or church leaders?) After decades of repetition and tradition, it's understandable how we might put our beliefs on auto-pilot and just nod as a pastor repeats bizarre stories that are already familiar to us. It's no wonder that recent studies show an incredible lack of Biblical knowledge among Christians - 55% unable to even name the four Gospels of the New Testament - the very foundation of Christianity! This book takes a much different tone than other authors who are critical of the Bible and Christianity. It is not as academic or dry as Bart Ehrman or Richard Carrier. It is not as arrogant or condescending as some find Richard Dawkins or Christopher Hitchens or as blustery as many accuse Sam Harris or Daniel Dennett. Instead, Horus Gilgamesh takes the approach, Let's assume that it's all true and work backwards from there. In doing so, the author directly challenges many of today's Christian leaders from Joel Osteen and Pat Robertson to Joyce Meyer and Ken Ham. This book is as much a critique on the evolution of Christian culture as it is about the history of the Bible. The goal of this mock Children's book is not to do mock a reader's faith, but to encourage critical thinking! Awkward Moments (Not Found In Your Average) Children's Bible encourages readers to really understand what is in their Bibles and think for themselves about the context of Biblical teaching. The book will hopefully challenge Christian readers to reflect on how religion continues to shape the lives and culture of future generations. If readers happen to laugh out loud and enjoy the interactive puzzles and games in the mean time - it's just an added bonus!

Children's Bibles in America Russell W. Dalton, 2015-11-19 Children's Bibles have been among the most popular and influential types of religious publications in the United States, providing many Americans with their first formative experiences of the Bible and its stories. In *Children's Bibles in America*, Russell W. Dalton explores the variety of ways in which children's Bibles have adapted, illustrated, and retold Bible stories for children throughout U.S. history. This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts, and offers intriguing snapshots of American culture and American religion in their most basic forms. Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God,

childhood, morality, and what must be passed on to the next generation. Dalton uses the popular story of Noah's ark as a case study, exploring how it has been adapted and appropriated to serve in a variety of social agendas. Throughout America's history, the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful, angry God who might destroy children at any time to that of a friendly God who will always keep children safe. At the same time, Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking. Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies, the history of religion in America, religious education, childhood studies, and children's literature.

Praying the Bible for Your Children David Kopp, Heather Kopp, Heather Harpham Kopp, 1998 You may not have heard of praying the Bible, but that doesn't mean that concept is new. In fact, for centuries men and women have prayed the promises of the Bible back to God. One of the greatest reasons is that there is tremendous power in praying God's truths back to him. But perhaps most of all, we pray the Bible because our hearts are radically changed when we focus on the desires of God and the magnificent truths in his Word. Here are just a few of the many more reasons we should pray the Bible. When we mine the gold of God's Word and enrich our prayers with Scripture... We remind ourselves of what God has said and are able to claim his promises. We avoid the trap of praying the same old thing. Our prayer vocabulary is stretched and our prayers enlarged as we claim truths that are already settled in heaven. We come to a more complete understanding of who God is and how he works in our lives. We are able to more fully and lovingly express our thankfulness to the Lord. We openly agree with God's truth, allowing it to change us and those we love. We are rescued from our human limitations. Claiming Bible truths keeps us from reducing God to our own small human expectations. We shift the focus of our prayers from human needs and feelings to God's character, his promises, his past faithfulness, his goodness, and even his extravagances with us. We are assured that our prayers lie within, and affirm, God's will. As a parent, you want your prayers to have an impact on the lives of your children. But how can you know that they will? What are some of the most vital things you should pray for? How can you claim God's glorious promises for your kids? In *Praying the Bible for Your Children*, you'll find the answers to these questions, along with powerful, Scripture-based prayers that will show you how to communicate more assuredly, more fervently, and more effectively with the Lord. Most importantly, your prayer life will be forever changed as you come to pray on a richer, more intimate level to the One who loves your children most of all.

Awkward Moments Childrens Bible Introduction

In the digital age, access to information has become easier than ever before. The ability to download Awkward Moments Childrens Bible has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Awkward Moments Childrens Bible has opened up a world of possibilities. Downloading Awkward Moments Childrens Bible provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Awkward Moments Childrens Bible has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF

downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Awkward Moments Childrens Bible. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Awkward Moments Childrens Bible. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Awkward Moments Childrens Bible, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Awkward Moments Childrens Bible has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
