The Letters of E. B. White E. B. White, 1986-09-10 Letters of E.B. White touches on a wide variety of subjects, including the *New Yorker* editor who became the author's wife; their dachshund, Fred, with his look of fake respectability; and White's contemporaries, from Harold Ross and James Thurber to Groucho Marx and John Updike and, later, Senator Edmund S. Muskie and Garrison Keillor. Updated with newly released letters from 1976 to 1985, additional photographs, and a new foreword by John Updike, this unparalleled collection of letters from one of America's favorite essayists, poets, and storytellers now spans nearly a century, from 1908 to 1985. Book jacket.

Meet E.B. White S. Ward, 2001 A simple biography of the multitalented author who wrote the well-known children's books, *Charlotte's Web* and *Stuart Little*.

Letters of E. B. White, Revised Edition E. B. White, 2013-07-02 Originally edited by Dorothy Lobrano Guth, and revised and updated by Martha White. With a foreword by John Updike. These letters are, of course, beautifully written but above all personal, precise, and honest. They evoke E.B. White's life in New York and in Maine at every stage of his life. They are full of memorable characters: White's family, the *New Yorker* staff and contributors, literary types and show business people, farmers from Maine and sophisticates from New York-Katherine S. White, Harold Ross, James Thurber, Alexander Woolcott, Groucho Marx, John Updike, and many, many more. Each decade has its own look and taste and feel. Places, too—from Belgrade (Maine) to Turtle Bay (NYC) to the S.S. Buford, Alaska-bound in 1923—are brought to life in White's descriptions. There is no other book of letters to compare with this; it is a book to treasure and savor at one's leisure. As White wrote in this book, "A man who publishes his letters becomes nudist—nothing shields him from the world's gaze except his bare skin....a man who has written a letter is stuck with it for all time."

Charlotte's Web E. B. White, Kate DiCamillo, 1952-10-15 Sixty years ago, on October 15, 1952, E.B. White's *Charlotte's Web* was published. It's gone on to become one of the most beloved children's books of all time. To celebrate this milestone, the renowned Newbery Medalist Kate DiCamillo has written a heartfelt and poignant tribute to the book that is itself a beautiful translation of White's own view of the world—of the joy he took in the change of seasons, in farm life, in the miracles of life and death, and, in short, the glory of everything. We are proud to include Kate DiCamillo's foreword in the 60th anniversary editions of this cherished classic. *Charlotte's Web* is the story of a little girl named Fern who loved a little pig named Wilbur—and of Wilbur's dear friend Charlotte A. Cavatica, a beautiful large grey spider who lived with Wilbur in the barn. With the help of Templeton, the rat who never did anything for anybody unless there was something in it for him, and by a wonderfully clever plan of her own, Charlotte saved the life of Wilbur, who by this time had grown up to quite a pig. How all this comes about is Mr. White's story. It is a story of the magic of childhood on the farm. The thousands of children who loved *Stuart Little*, the heroic little city mouse, will be entranced with Charlotte the spider, Wilbur the pig, and Fern, the little girl who understood their language. The forty-seven black-and-white drawings by Garth Williams have all the wonderful detail and warmhearted appeal that children love in his work. Incomparably matched to E.B. White's marvelous story, they speak to each new generation, softly and irresistibly.

On Democracy E. B. White, 2019-05-07 A New York Times Book Review New & Noteworthy Book “For democracy’s weary champions, White’s time-tested prose is a shot of adrenaline.”—Madeleine Albright A collection of essays, letters, and poems from E. B. White, “one of the country’s great literary treasures” (New York Times), centered on the subject of freedom and democracy in America. The special book includes an introduction by Pulitzer Prize-winning historian Jon Meacham. “I am a member of a party of one, and I live in an age of fear.” These words were written by E. B. White in 1947. Decades before our current political turmoil, White crafted eloquent yet practical political statements that continue to resonate. “There’s only one kind of press that’s any good—” he proclaimed, “a press free from any taint of the government.” He condemned the trend of defamation, arguing that “in doubtful, doubting days, national morality tends to slip and slide toward a condition in which the test of a man’s honor is his zeal for discovering dishonor in others.” And on the spread of fascism he lamented, “fascism enjoys at the moment an almost perfect climate for growth—a world of fear and hunger.” This concise collection of essays, letters, and poems from one of this country’s most eminent literary voices offers much-needed historical context for our current state of the nation—and hope for the future of our society. Speaking to Americans at a time of uncertainty, when democracy itself has come under threat, he reminds us, “As long as there is one upright man, as long as there is one compassionate woman . . . the scene is not desolate.”

In the Words of E. B. White E. B. White, 2011-11-15 The time not to become a father is eighteen years before a world war.—E. B. White on fatherhood I was lucky to be born abnormal. It ran in the family.—on luck I would really rather feel bad

in Maine than feel good anywhere else. —on Maine The English language is always sticking a foot out to trip a man.—on language The author of *Charlotte's Web* and *One Man's Meat*, coauthor of *The Elements of Style*, and columnist for *The New Yorker* for almost half a century, E. B. White (1899–1985) is an American literary icon. Over the course of his career, White inspired generations of writers and readers with his essays (both serious and humorous), children's literature, and stylistic guidance. In *The Words of E. B. White* offers readers a delightful selection of quotations, selected and annotated by his granddaughter and literary executor, Martha White. The quotations cover a wide range of subjects and situations, from Automobiles, Babies, Bees, City Life, and College to Spiders, Taxes, Weather, Work, and Worry. E. B. White comments on writing for children, how to tell a major poet from a minor one, and what to do when one becomes hopelessly mired in a sentence. White was apt to address the subject of security by speaking first about a Ferris wheel at the local county fair, or the subject of democracy from the perspective of roofing his barn and looking out across the bay—he had a gift for bringing the abstract firmly into the realm of the everyday. Included here are gems from White's books and essay collections, as well as bits from both published and unpublished letters and journals. This is a book for readers and writers, for those who know E. B. White from his Notes and Comment column in *The New Yorker*, have turned to *The Elements of Style* for help in crafting a polished sentence, or have loved a spider's assessment of Wilbur as *Some Pig*. This distillation of the wit, style, and humanity of one of America's most distinguished essayists of the twentieth century will be a welcome addition to any reader's bookshelf.

Daddy's Gone A-Hunting Penelope Mortimer,2022-05-17 A breakthrough novel of suburban loneliness and subversion—"her style, spare and singular, cuts through the decades like a scalpel" (Rachel Cooke, The Observer) Bourgeois housewife Ruth Whiting is "paralysed by triviality," measuring out her days in coffee mornings, glasses of sherry, and bridge parties—routines that barely disturb the solitude of her existence. Her husband spends his weeknights in town; their daughter, eighteen-year-old Angela, is at Oxford; and their sons are at boarding school. Then Angela accidentally falls

pregnant, and Ruth must keep her own past from repeating itself. First published in 1958, Daddy's Gone A-Hunting shocked critics with its "feminine rage" (New York Times). It captures the suffocation of a repressive marriage and the desperate longing for connection between a mother and daughter who must join forces in a man's world.
