Breve Dizionario Di Politica Europea. Ediz. Italiana E Inglese Marco Marazzi e Stefania Schipani, 2014-04-29 Come si struttura l'attuale Unione europea? Quali sono le sue caratteristiche e come deve modificarle se vuole compiere davvero un salto di qualità per portare a compimento il disegno originario di una terra che sia culla di nazioni diverse ma vicine, per diventare una Europa unita e rappresentativa degli Stati e dei cittadini, in una parola, Federale? L'Europa di oggi è una grande porta con tante serrature, ma per trovare l'Europa del futuro e guardare oltre bisogna aprirle tutte e di tutte trovare le chiavi. Ecco il perché di questo libro che fotografa alcuni dei principali aspetti che caratterizzano la nostra Europa attuale, ognuno dei quali è una serratura da aprire e quelle che proponiamo sono per noi le chiavi giuste. Le chiavi di una Federazione europea. How is the European Union structured? What are its features and how should it change to take that qualitative step and achieve the original idea of a land that is the cradle of different, but close nations, and turn itself into a united Europe which represents the States but also the citizens. In one word, a Federation? Today's Europe is a great door with many locks; to discover the Europe of the future and look ahead of us, we need to find all the keys and open all these doors. This is why we wrote this book, which takes a picture of some of the main features of today's Europe, each one of which is a lock that needs to be opened, and for which we try to suggest the right keys. The keys of our European federation.

Poetry on Stage Gianluca Rizzo, 2020-08-26 Poetry on Stage focuses on exchanges between the writers of the Italian neo-avant-garde with the actors, directors, and playwrights of the Nuovo Teatro. The book sheds light on a forgotten chapter of twentieth-century Italian literature, arguing that the theatre was the ideal incubator for stylistic and linguistic experiments and a means through which authors could establish direct contact with their audience and verify solutions to the practical and theoretical problems raised by their stances in politics and poetics. A robust analysis of a number of exemplary texts grounds these issues in the plays and poems produced at the time and connects them with the experimentations

subsequently carried out by some of the same artists. In-depth interviews with four of the most influential figures in the field – critic Valentina Valentini, actor and director Pippo Di Marca, author Giuliano Scabia, and the late poet Nanni Balestrini – conclude the volume, providing invaluable first-hand testimony that brings to life the people and controversies discussed.
