Joan Ganau i Casas

Juderías y sinagogas de la Sefarad medieval Eloy Benito Ruano, 2003

La dignidad de los sefardíes Raúl Uriszar-Aldaca Ordiales, 2016-04-12 Son dos historias que discurren en paralelo con una diferencia de sesenta años, confluyendo en un mismo punto. La primera de ellas corresponde a un joven profesor de historia llamado Ramón Aller, que decide pasar unos días de vacaciones en París junto a un colega. Allí por azar, descubre entre una montaña de documentos de la II guerra mundial y de la resistencia francesa unos códigos encriptados en español. Así comienza su obsesión por saber quién ha enviado el mensaje y que ha sido de aquellos hombres. La segunda línea de la historia narra la vida de tres republicanos españoles que tras la guerra civil, se unen a la resistencia francesa en la línea Maginot. Son hechos prisioneros y trasladados al Campo de concentración de Natzweiler-Struthof. En ese lugar conocerán las dos caras del ser humano. Una, la más negra, se la mostrará Friederich Ulm, un mando de las SS que los tiene controlados bajo su poder. La otra cara se la mostrará un sefardí que conocen en el campo y les enseña el valor de las palabras, amistad, solidaridad y esperanza. Ambas historias discurren en paralelo, con sesenta años de diferencia, recorriendo los lugares más representativos de la cultura sefardí en España y manteniendo una trama incesante durante toda la historia. El final una auténtica sorpresa. Ramón Aller encontrará la increíble realidad y aclarará todas sus dudas... y la de los lectores...

Literatura hebrea en la España medieval Ángel Sáenz-Badillos, 1991

Antigua sinagoga de Santa María la Blanca Bárbara Palomares Sánchez, 2009 La elección de Santa María la Blanca, como objeto de esta investigación, ha estado determinada por la práctica inexistencia de estudios que profundizasen en esta sinagoga. Desde los realizados en el s. XIX, influenciados por el movimiento romántico y por el desconocimiento del estilo al que pertenece este monumento, hasta el punto de confundirlo con un monumento de estilo árabe, han sido pocas las publicaciones realizadas en el s. XX que esclareciesen algún aspecto de este monumento. --El propósito de mi investigación es analizar, a través de las restauraciones realizadas en el s. XIX en este monumento, uno de los procesos más interesantes de la historia de la restauración en España: cómo se fue definiendo Santa María la Blanca como mezquita a nivel teórico y práctico.

Viajes por España Pedro Antonio de Alarcón,2019-11-11 Viajes por España de Pedro Antonio de Alarcón es una obra que se sitúa en el ámbito del ensayo viajero, donde el autor combina la crónica y la reflexión personal para ofrecer un retrato vívido y polifacético de la realidad española del siglo XIX. Alarcón, con su estilo vívido y descriptivo, se adentra en un recorrido que abarca tanto la geografía física como la social, capturando la esencia de diferentes regiones españolas. Sus observaciones son un testimonio de la riqueza cultural y la diversidad de tradiciones que caracterizan al país, todo ello en un contexto de efervescencia literaria y renovación del pensamiento en la España de su tiempo. Pedro Antonio de Alarcón (1833-1891) fue un escritor, político y periodista granadino que tuvo una influencia notable en la literatura española. Su experiencia personal como viajero, así como su interés por la historia y las costumbres del pueblo español, lo llevaron a plasmar sus vivencias y reflexiones en esta obra. Alarcón formó parte del movimiento romántico y su vida estuvo marcada por la búsqueda de una voz que representara la realidad social y cultural de España, lo que se evidencia en la profundidad y crítica presente en sus escritos. Recomendando encarecidamente Viajes por España a quienes deseen entender no solo la geografía española, sino también el alma de su pueblo. Esta obra es un excelente recurso para estudiantes de literatura, historia y cultura española, así como para cualquier lector que busque una inmersión efectiva en el legado literario de la

España del siglo XIX. Alarcón logra, a través de su prosa, conectar al lector con su entorno, haciéndolo parte de este viaje inolvidable.
