The Dalai Lama's Cat and the Power of Meow David Michie, 2015-06-16 If you ever doubted that your feline companion has her own inner life, just watch what happens when she falls asleep, and loses conscious control of her physical being . . . a twitching of limbs, a quivering of the jaw, sometimes, perhaps, a snuffling noise or a meow. . . . Cats may indeed be capable of great mindfulness, but we are thinking beings too. In my own case, unfortunately, a being who thinks rather too much. In the latest installment of the Dalai Lama's Cat series, His Holiness's Cat (HHC) is on a mission: to think less, to experience more, to live in the moment. She soon learns the proper phrase for this, being mindful, or, a concept better known to her as the power of meow. What ensues is a journey to discover her own true nature, to gain a deeper understanding of her mind, and to experience life's greatest joy, the here and now. Throughout, there are encounters with familiar inhabitants of Dharamsala, as well as a whole new cast of characters: a senior exec from one of Silicon Valley's most famous social media companies (hint: the name rhymes with litter), the Pope's beloved dog (who shares a shockingly similar title: HHD, His Holiness's Dog), and a public health inspector who threatens to have our poor narrator banned from the Himalaya Book Café. In this follow-up to the Dalai Lama's Cat and the Art of Purring, readers escape to the enchanting and exotic world of the Dalai Lama's monastery in the Himalayas, and take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment. By accompanying HHC on her journey, you will learn new ways to relate to your own mind: slowing down, finding peace, and abiding in the boundless radiance and benevolence that is your own true nature.

The Dalai Lama's Cat: Awaken the Kitten Within David Michie, 2021-11-12 As kittens we feel it often. All it takes is a wind-blown feather, an unexpected delicacy, or the alluring rush of water and instantly we are caught up in it- wonderment. Enchantment. Being fully absorbed in the here and now. By the time we reach senior status, way beyond the point of being impressed by such trivia, we have become knowing and indifferent. But we have lost something, have we not? Which begs answers to some intriguing questions. Is it possible to recover the unaffected zest for life which once came to us so naturally? To become un-blase? Can you and I, dear reader, awaken the kitten within? The Dalai Lama's Cat is confronted by a most unpleasant truth- she is getting old. A routine visit to the vet confirms this. But is a future of decrepitude and senior cat biscuits inevitably a cause for despair? As it happens, she soon finds that a startling reminder of life's transience is exactly what's needed to renew our gratitude for life. To lighten up, accept ourselves, and value what truly matters. With

irrepressible mischief, the Dalai Lama's Cat explores the intriguing insight that reality is a projection of our mind. In so doing, she comes to discover that awakening the kitten within is not just possible - it is our purpose! For when we do so with a particular wisdom, we catch a glimpse of our own sublime nature. With a benevolent energy that reaches from the pages, this is the Dalai Lama's Cat at her most tender, irreverent, joyful best.

The Dalai Lama's Cat and the Art of Purring David Michie, 2013-11-28 What makes you purr? Of all the questions in the world, this is the most important. It is also the great leveler. Because no matter whether you are a playful kitten or a sedentary senior, a scrawny alley Tom or a sleek-coated uptown girl, whatever your circumstances, you just want to be happy. Not the kind of happy that comes and goes like a can of flaked tuna but an enduring happiness. The deep-down happiness that makes you purr from the heart. Before leaving for a teaching tour to America, the Dalai Lama poses a challenge to his beloved feline, HHC (His Holiness's Cat): to discover the true cause of happiness. Little does she know what adventures this task will bring! A hair-raising chase through the streets of McLeod Ganj leads to an unexpected revelation about the perils of self-obsession. An encounter with the mystical Yogi Tarchen inspires a breakthrough discovery about her past—one with dramatic implications for us all. And overheard conversations between ivy-league psychologists, high-ranking lamas, and famous writers who congregate at the Himalaya Book Café help her explore the convergence between science and Buddhism on the vital subject of happiness. Sparkling with wisdom, warmth, and a touch of mischief, *The Dalai Lama's Cat and the Art of Purring* is a charming reminder of why HHC is becoming one of the most-loved cats around the world. So what is the true cause of purring? The Dalai Lama whispers this secret on his return—only for the ears of HHC and those with whom she has a karmic connection . . . that, dear reader, means you!

The Dalai Lama's Cat David Michie, 2012-10-01 In the months that followed I watched His Holiness working on a new book . . . I began to think that perhaps the time had come for me to turn my paws to a book of my own . . . one that tells my own tale . . . How I was rescued from a fate too grisly to contemplate, to become constant companion to a man who is not only one of the world's greatest spiritual leaders and a Nobel Peace Prize laureate, but who is also a dab hand with the can opener. Not so much fly-on-the-wall as cat-on-the-sill, this is the warmhearted tale of a small kitten rescued from the slums of New Delhi who finds herself in a beautiful sanctuary with sweeping views of the snow-capped Himalayas. In her exotic new home, the Dalai Lama's cat encounters Hollywood stars, Buddhist masters, Ivy-league professors, famous philanthropists, and a host of other people who come visiting His Holiness. Each encounter offers a fresh insight into finding happiness and meaning in the midst of a life of busy-ness and challenge. Drawing us into her world with her adorable but all-too-flawed personality, the Dalai Lama's cat discovers how instead of trying to change the world, changing the way we experience the world is the key to true contentment. Featuring a delightful cast of characters, timeless Buddhist wisdom, and His Holiness's compassion pervading every chapter, *The Dalai Lama's Cat* is simply enchanting.

The Dalai Lama's Cat and the Claw of Attraction David Michie, 2023-11-14 The Dalai Lama regarded their flushed, animated faces, his forehead wrinkling. The materialist approach, he nodded. Seeking to change what you believe to be entirely outside you. It has many problems. For example, why must you constantly postpone your happiness? India's Top Ten Social Influencers Under 30 were taken aback by this question. Staring at him, their eyes filled with consternation. Postponing happiness was something they most definitely wanted no part of. For example, if our happiness depends on having the new diamante sunglasses, he chuckled. Or the perfect boyfriend, he beamed from the girl dressed in crimson to the one in emerald green. Or having ten million followers, he nodded at the woman in the yellow sari. What do we do until then? If we are constantly yearning for material things that we don't have yet, then our happiness is always around the corner. Or at the top of the next mountain. Why do you not wish to be happy here and now? Without needing anything else. Happy as I am? In a chance encounter with India's Top Ten Social Influencers, the Dalai Lama is asked to how to use the 'law of attraction' to manifest abundance. He points out that material wellbeing was never the goal of such practices as he begins to explain their true purpose. It is a purpose that His Holiness's Cat goes on to explore with her usual warm-hearted and wonky-legged aplomb. Is the world much more a projection of our mind than we suspect? Can a few, precious insights transform our reality? In a drama of intimate revelations as well as panoramic visions, of encounters with much-loved friends along with intriguing newcomers, the Dalai Lama's Cat comes to discover that The Claw of Attraction holds the key to a more sublime transcendence than she ever believed possible. Stretch out your own talons, dear reader, and you may too!

The Dalai Lama's Cat and the Four Paws of Spiritual Success David Michie, 2019-11-19 The Dalai Lama's Cat is back! Latest title in the ever-popular and bestselling series. The Dalai Lama's Cat is back: irreverent, vain and delightfully insightful as ever! When the Dalai Lama's inner circle is set the task of providing His Holiness with a book he can give his visitors, an unexpected volunteer stretches out her paws. The book is to summarise the four key elements of Tibetan Buddhism and, importantly, to communicate how it feels to be in the profoundly reassuring presence of His Holiness. Who better to do this than his much-loved feline? Through encounters with celebrity visitors and her own intriguing adventures, the Dalai Lama's Cat explains all four key themes, not so much as ideas but as practices to be embodied. Along the way she even gets a new title: Therapy Cat. If you have ever sought a summary of Tibetan Buddhist wisdom, albeit from an unusual and whiskery source, this may just be the book to get you purring!

Parachuting Cats into Borneo Axel Klimek, Alan AtKisson, 2016-08-17 A toolkit of proven strategies and practices for building capacity and creating transformation Recent years have seen a proliferation of information on how to make change—in business, in social and environmental movements, and on a more personal scale. But, even with all this attention, two out of three change efforts fail to achieve their desired result. How can you make your own effort buck this trend? In *Parachuting Cats into Borneo*, change-management experts Axel Klimek and Alan AtKisson offer crisp, concise, and targeted advice for success. They expose the most significant impediments—helping readers recognize their habitual patterns of thinking and perceiving a situation, critique their own beliefs regarding change, and then move beyond these unhelpful patterns using improved systems thinking. Named after a classic tale of unintended consequences, *Parachuting Cats into Borneo* delivers tools that help leaders and others keep their change initiatives on track. The advice imparted will help you move away from agonizing over immediate problems toward stoking action, identifying collaborators, focusing at the right

level for your cause, and aiding others in pursuing their change. Klimek and AtKisson draw from their decades of helping corporations, networks, governments, and NGOs reach their change goals to demonstrate how to use system-based change tools to their maximum advantage. A closing section is devoted to change making in the realm of sustainability, where complexity abounds but the right tools, used well, can help us tackle some of the most significant challenges of our time.

Managing People is Like Herding Cats Warren Bennis, 1999 Cats of course, won't be herded. And the most successful organizations in the 21st Century won't be managed -- they'll be led. The answer to America's current leadership crisis is leaders (not managers) who recognize that the only capital that really counts is human capital And whether readers are

looking for a leader or looking to be a better one, Warren knows what it takes. In answer to the leadership crisis, Bennis offers insight into developing leaders and their competencies, by explaining ten traits of dynamic leaders, and how these leaders constantly reinvent themselves. The 21st century will require leaders who can inspire and orchestrate change rather than impose it or simply react to it. The section on Leading Change will, in itself, make this a must-have book.
