They do not follow the traditional vocabulary and style found in the historic English Bible versions. Instead they attempt to present the biblical content and message of the bible in everyday, simple, modern English. These easy to read bibles are suitable for all ages and can be read with your traditional bible. Our mission is to help people to read, understand, and apply the Word of God to their lives by providing Bible Translations, Bible Commentaries, and Bible Studies in simple modern English. This Bible edition concentrates on the translation of all chapters and verses of both the Old and New Testaments. Sample chapter: Book of John. About this book: John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He

wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1 The Word became human 1 In the beginning, the Word was already there. The Word was with God. The Word was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.

**The Book of Proverbs in Plain English** Frank Larosa, 2011-10 The Book of Proverbs is the key book in the Bible that teaches us wisdom; the single, most important thing in life we could ever achieve. If we not only read the book, but put the advice to work in our lives, we can truly become wise. Frank realized that most people have a difficult time interpreting the Bible and never get the full understanding of what the passages are trying to get across to us. If we don't fully understand what we are reading, how can we apply the advice to our lives?, was his question. With this in mind, he took three different Bible interpretations of the Book of Proverbs, studied each passage and rewrote them in plain English, without changing the meanings of the passages, so all could get the full understanding. In this book you will find the simplest format, easiest wording, a daily calendar guide, word index and explanations for hard to understand passages. You will have such ease reading and actually comprehending what you are reading, that you will be amazed the simplicity to interpret. Although the Book of Proverbs was written nearly 3,000 years ago, you will find how relevant these words of wisdom are in our lives today. Prov 1:2--The purpose of these Proverbs is to teach wisdom, give instruction and perceive words of understanding.

*The World's Easiest Guide for New Believers* Randy Southern, 2002 New Believers is the perfect tool to get new believers grounded and headed in the right direction. This resource covers the basics of the faith, tools for growing in the faith, and applying what you believe.

Scripture Not Included J.A. Roberts, 2022-04-27 Have you ever wondered why bible verses are missing from scripture? This book will hopefully shed some light on why they are missing, why they shouldn't be taken out, and how we can use them to bring others to the saving knowledge of Jesus Christ. These verses will help equip you, and grow your faith and trust in God's every Word so that you have no doubt as to the legitimacy of the Bible, and your faith and trust in scripture.
