Rock Star Babylon Jon Holmes, 2008-06-24 Fun, shocking, and compulsively readable, *Rock Star Babylon* is a guilty pleasure for fans everywhere who want to know more about rock stars behaving badly. From Ozzy Osbourne to Chuck Berry, Courtney Love to Keith Moon, *Rock Star Babylon* has gathered together the most outrageous antics and diva-esque misbehavior in the annals of rock. Here in a single volume are the most wickedly entertaining stories of over-the-top parties, crazy divorces, hidden cameras, trashed hotel rooms, misapplied epileptic interventions, and innocent headless bats. Running the gamut from the rude to the ridiculous, these reports of rock-and-rollers at their worst come straight from the mouths of those who were there—or those who were there but left early and heard about it afterward.

Music Is History Questlove, 2021-10-19 A New York Times bestseller, *Music Is History* combines multi-Grammy Award winner Questlove's deep musical expertise with his curiosity about history, examining America over the past fifty years. Focusing on the years 1971 to the present, Questlove finds the hidden connections in the American tapestry, whether investigating how the blaxploitation era reshaped Black identity or considering the way disco took an assembly line approach to Black genius. And these critical inquiries are complemented by his own memories as a music fan, and the way his appetite for pop culture taught him about America. A history of the last half-century and an intimate conversation with one of music's most influential and original voices, *Music Is History* is a singular look at contemporary America. "An entertaining, informative and far-reaching work, meticulously excavating American culture and history with the eye of a seasoned cratedigger." —The Washington Post

Spin Alternative Record Guide Eric Weisbard, Craig Marks, 1995 America's premiere alternative music magazine presents a book of outrageously opinionated reviews of the essential albums of punk, new wave, indie rock, grunge, and rap. Its abundantly illustrated, full-color pages provide in-depth and informative record reviews on the widest possible scale of alternative music. National ads/media.
