**How Did I Get to Be 70 When I'm 35 Inside?** Linda Douty, 2011-04-01 Have the courage and curiosity to face the inner changes of aging—and learn how they can help you find meaning in your later years. I used to think that age sixty-five was the start of a slippery downward slope to the cemetery. But inside, I felt a surge of enormous energy, with the potential to approach aging as an uncharted adventure instead of a prison sentence. —from the Introduction Unlike other authors, spiritual director Linda Douty discusses the challenges and surprises of aging by talking about how you actually feel, not what you're supposed to feel. In a warm, down-to-earth voice, she offers a spiritually grounded method to adjust to the unexpected as you grow older. There is no one-size-fits-all here, but a variety of responses to the inner and outer transformations of aging and new ways of looking at them. She looks at surprises, welcome and unwelcome, concerning: • Self-image • The physical body • Relationships • Spiritual life Questions for reflecting on who you are in this period of your life—or who you would like to be—will help you live each day more purposefully and joyfully.

How to Do Good & Avoid Evil Rabbi Walter Homolka, Hans Küng, 2012-08-20 Explore how the principles of a global ethic can be found in Judaism and how they can provide the ethical norms for all religions to work together toward a more peaceful humankind. In 1993, the Parliament of the World's Religions endorsed the Declaration toward a Global Ethic composed by Hans Küng. In it, representatives from all the world's religions agreed on principles for a global ethic and committed themselves to directives of nonviolence, respect for life, solidarity, a just economic order, tolerance, and equal rights and partnership between men and women. But the declaration was just the first step. In this impressive volume, Hans Küng, probably the most famous living Roman Catholic theologian, and Rabbi Walter Homolka, head of Germany's Abraham Geiger rabbinical seminary and distinguished professor, draw on the Jewish tradition to show the riches that Judaism can offer people of all faiths and nonbelievers in achieving these directives. Presenting key sacred texts and theological writings, the authors make the case for binding values and basic moral attitudes that can be found in Judaism's universal message of a better world. Exploring Judaism's focus on ethical conduct over declarations of faith, the authors show that making ethical

decisions is indispensable in an ever-changing world.
