Robert William Chambers

Robert W. Chambers: Master of The King in Yellow Shawn M. Tomlinson, 2015-11-09 It has taken me 37 years to write this biography of author Robert W. Chambers. Along the way, I wrote and published many articles about him, but did not complete the biography until 2014. I got the idea of writing it when I was 15, and the reason I got the idea is the same reason it has taken so long to write the book. There simply is not that much information about Chambers out there. Despite his fame and thorough integration in New York high society, very little was written about him during his lifetime. This volume contains the Expanded Edition of the biography, Robert W. Chambers: Maker of Moons, as well as the collection of articles, originally titled, Robert W. Chambers: In Search of the Unknown Author of The King in Yellow.

The King in Yellow Robert W. Chambers, 2023-12-13 In Robert W. Chambers' seminal work, *The King in Yellow*, the reader is introduced to a haunting collection of short stories that blend decadence, horror, and the supernatural. Emanating from the fin-de-siècle literary style, Chambers weaves a tapestry of existential dread and psychological turmoil, embedded within an imaginative framework. Central to these tales is a fictional play that drives its readers to madness, serving as a metaphor for the perils of forbidden knowledge. The interplay between art, obsession, and despair resonates through the intricate prose and vivid imagery, establishing the text as a precursor to the coming wave of modernist literature and influencing the darker tones of the Weird fiction genre. Chambers, an American writer and artist associated with the Symbolist movement, often explored themes of beauty and decay in his works. His background—immersed in the aesthetic ideals of the late 19th century and the avant-garde movements of his time—shaped his fascination with the supernatural and psychological disarray. Chambers' exploration of the human psyche and its fragility amid societal change provides a rich context for the chilling narratives contained in this collection. For readers seeking a profound and unsettling literary experience, *The King in Yellow* is an indispensable masterpiece. It presents not only a journey into the realms of cosmic horror but also an exploration of the depths of the human condition. Its intricate storytelling and haunting motifs invite critical reflection, solidifying its place as a landmark work that continues to inspire and provoke. The King in Yellow Robert Chambers, 2016-10-31 The King in Yellow is a book of short stories by American writer Robert W. Chambers, first published by F. Tennyson Neely in 1895. The book is named after a play with the same title which recurs as a motif through some of the stories. The first half of the book features highly esteemed weird stories, and the book has been described by critics such as E. F. Bleiler, S. T. Joshi and T. E. D. Klein as a classic in the field of the supernatural. There are ten stories, the first four of which (The Repairer of Reputations, The Mask, In the Court of the Dragon, and The Yellow Sign) mention The King in Yellow, a forbidden play which induces despair or madness in those who read it. The Yellow Sign inspired a film of the same name released in 2001. The first four stories are loosely connected by three main devices: A play in book form entitled The King in Yellow A mysterious and malevolent supernatural entity known as the King in Yellow An eerie symbol called the Yellow Sign These stories are macabre in tone, centering, in keeping with the other tales, on characters that are often artists or decadents, inhabitants of the demi-monde. The first and fourth stories, The Repairer of Reputations and The Yellow Sign, are set in an imagined future 1920s America, whereas the second and third stories, The Mask and In the Court of the Dragon, are set in Paris. These stories are haunted by the theme: Have you found the Yellow Sign? The weird and macabre character gradually fades away during the remaining stories, and the last three are written in the romantic fiction style common to Chambers' later work. They are all linked to the preceding stories by their Parisian setting and their artistic protagonists. List of stories The stories in the book are: The Repairer of Reputations - A weird story of egotism and paranoia that carries the imagery of the book's title. The Mask - A dream story of art, love, and uncanny science. In the Court of the Dragon - A man is pursued by a sinister church organist who is after his soul. The Yellow Sign - An artist is troubled by a sinister churchyard watchman who resembles a coffin worm. The Demoiselle d'Ys - A ghost story,

the theme of which anticipates H. G. Wells' *The Door in the Wall* (1906). *The Prophets' Paradise* - A sequence of eerie prose poems that develop the style and theme of a quote from the fictional play *The King in Yellow* which introduces *The Mask*. *The Street of the Four Winds* - An atmospheric tale of an artist in Paris who is drawn to a neighbor's room by a cat; the story ends with a macabre touch. *The Street of the First Shell* - A war story set in the Paris Siege of 1870. *The Street of Our Lady of the Fields* - Romantic American bohemians in Paris. *Rue Barr e* - Romantic American bohemians in Paris, with a discordant ending that playfully reflects some of the tone of the first story. *Scroll Up and Grab Your Copy!* Timeless Classics for Your Bookshelf Classic Books for Your Inspiration and Entertainment Visit Us at: goo.gl/0oisZU
