*The Case to Impeach and Imprison Joe Biden* Mike McCormick, 2023-12-19 The Case to Impeach and Imprison Joe Biden is author Mike McCormick's eyewitness account from six years as Joe Biden's White House stenographer, traveling with him to Ukraine and Honduras and many other countries. During this assignment, he found the vice president buffoonish and unpresidential. McCormick, who made national news in April 2023 by revealing he submitted evidence to the FBI that would impeach Joe Biden, confirms that he was interviewed extensively about his knowledge of Biden's corruption and evil by investigators from the House Oversight Committee and the Senate Homeland Security Governmental Affairs Committee. McCormick ultimately recognized the crimes that then-Vice President Biden perpetrated in his dealings with Ukraine and Honduras only after receiving a verified copy of the Hunter Biden Laptop. By cross-referencing materials in the Hunter Biden Laptop with President Obama's White House website and congressional testimony by Joe's co-conspirators, plus his own recollections, McCormick weaves a devastating timeline that pinpoints Joe Biden as the mastermind of a kickback scheme with Burisma Holdings that enriched him and Hunter Biden. Also detailed in this book is Joe Biden's treasonous Alliance for Prosperity, which funded cartel-affiliated cocaine smugglers in the Honduran government who were then under investigation by the DEA with hundreds of millions of US taxpayer dollars. McCormick courageously identifies US government officials who assisted Joe Biden in his evil schemes, including then president Barack Obama. And McCormick names the journalists who continue to cover for the Obama-Biden corruption. Despite all the evidence, he has not yet been asked to testify under oath about what he saw. That's why he's written this book.

*An Almost Insurmountable Evil* Mike McCormick, 2025-02-11 Questioning Pope Francis? You are not alone. Catholics around the world are puzzled by a pope who has defiled the Church of Jesus Christ with his overt politics. Questioning Joe Biden? You are not alone. His toxic presidency and destructive relationship with Barack Obama ended in an old man's whimper. Or was there more to it? Mike McCormick answers your questions with the truth: An almost insurmountable evil was done by an illegitimate pope, an unclean cardinal, a compromised president, his criminal vice president, and their win-at-all-cost operatives. Based on McCormick's experience as Joe Biden's White House Press Office stenographer, this eyewitness account details the globalist plots perpetrated by Cardinal Theodore McCarrick, Pope Francis, the CIA, President Barack Obama, Vice President Joe Biden, Hunter Biden, Denis McDonough, Anthony Fauci, and many others. McCormick reveals

how the Obama-Biden White House networked the Catholic Church into human trafficking along the Southern Border; how it schemed Ukraine into becoming a biological warfare threat to Russia; and how it collaborated with China to release the Wuhan Pandemic to upend President Trump's 2020 campaign. In this point-by-point dissection of Obama-Biden Deep State overreach, and of what Archbishop Vigano refers to as the Deep Church, and of what Robert F. Kennedy, Jr. refers to as Deep Health, readers will understand the betrayal, death, economic destruction, and emotional damage perpetrated on them by their governments, the Catholic Church, and the globalist elites they serve.

**Awakening** Sidney Pines, 2025-12-04 In *Awakening: A Patriot's Diary of American Deception*, one woman meticulously documents America's tumultuous journey from 2020 to 2025 through the eyes of a conservative patriot convinced that larger forces are at work behind the scenes. When the 2020 presidential election sends shockwaves through her worldview, Sidney and her friend Ella dive headfirst into a rabbit hole of alternative explanations, conspiracies, and supposed government machinations. This raw, unfiltered chronicle captures the day-by-day experience of those who believed the official story was anything but—from COVID lockdowns and vaccine skepticism to election fraud claims and theories about deep state corruption. As Sidney faithfully records her observations, research, and conversations, readers witness the evolution of a movement and mindset that fundamentally reshapes how millions of Americans understand their country and government. More than just a political diary, this is a psychological portrait of conviction in uncertain times. The narrative weaves together global events, small-town politics, and personal relationships strained by ideological differences. Sidney's ongoing quest for vindication—that moment when everyone will finally see what she sees—drives this compelling account of life inside an alternative information ecosystem. If you enjoyed *American Marxism*, *The Great Reset*, and *Triggered*, you'll love *Awakening* - a frontline dispatch from America's cultural and political divide.

More than seven hundred years ago, Marco Polo traveled from the medieval city of Venice to the fabled kingdom of the great Kublai Khan, seeing new sights and riches that no Westerner had ever before witnessed. But did Marco Polo experience the things he wrote about . . . or was it all made-up? Young readers are presented with the facts in this entertaining, highly readable *Who Was . . . ?* biography with black-and-white artwork by John O'Brien.

**Did Marco Polo Go To China?** Frances Wood,2018-06-19 We all ?know? that Marco Polo went to China, served Ghengis Khan for many years, and returned to Italy with the recipes for pasta and ice cream. But Frances Wood, head of the Chinese Department at the British Library, argues that Marco Polo not only never went to China, he probably never even made it past the Black Sea, where his family conducted business as merchants.Marco Polo's travels from Venice to the exotic and distant East, and his epic book describing his extraordinary adventures, *A Description of the World*, ranks among the most famous and influential books ever published. In this fascinating piece of historical detection, marking the 700th anniversary of Polo's journey, Frances Wood questions whether Marco Polo ever reached the country he so vividly described. Why, in his romantic and seemingly detailed account, is there no mention of such fundamentals of Chinese life as tea, foot-binding, or even the Great Wall? Did he really bring back pasta and ice cream to Italy? And why, given China's extensive and even obsessive record-keeping, is there no mention of Marco Polo anywhere in the archives?Sure to spark controversy, *Did Marco Polo Go to China?* tries to solve these and other inconsistencies by carefully examining the Polo family history, Marco Polo's activities as a merchant, the preparation of his book, and the imperial Chinese records. The result is a lucid and readable look at medieval European and Chinese history, and the characters and events that shaped this extraordinary and enduring myth.
