How to Be Remembered Michael Thompson, 2023-06-27 You'll be grinning through your tears as you read this big-hearted (The Guardian) and magical tale, perfect for fans of *The Invisible Life of Addie LaRue* and *The Midnight Library*. A man who can never be remembered. A journey he'll never forget. On an ordinary night in an ordinary year, Tommy Llewellyn's doting parents wake in a home without toys and diapers, without photos of their baby scattered about, and without any idea that the small child asleep in his crib is theirs. That's because Tommy is a boy destined to never be remembered. On the same day every year, everyone around him forgets he exists, and he grows up enduring his own universal Reset. That is until something extraordinary happens: Tommy Llewellyn falls in love. Determined to finally carve out a life for himself and land the girl of his dreams, Tommy sets out on a mission to finally trick the Reset and be remembered. But legacies aren't so easily won, and Tommy must figure out what's more important—the things we leave behind or the people we bring along with us. With the speculative edge of *How to Stop Time*, the unending charm of *Maria Semple*, and the heart of your favorite book club read, *How to Be Remembered* is a life-affirming novel about discovering how to leave your mark on the places and people you love most.

The Pressured Child Michael Thompson, PhD, 2005-08-30 The push for students to excel at school and get into the best colleges has never been more intense. In this invaluable new book, the bestselling co-author of *Raising Cain* addresses America's performance-driven obsession with the accomplishments of its kids—and provides a deeply humane response. “How was school?” These three words contain a world of desire on the part of parents to know what their children are learning and experiencing in school each day. Children may not divulge much, but psychologist Michael Thompson suggests that the answers are there if we know how to read the clues and—equally important—if we remember our own school days. School, Thompson reminds us, occupies more waking hours than kids spend at home; and school is full not just of studies but of human emotion—excitement, fear, envy, love, anger, sexuality, boredom, competitiveness. Through richly detailed interviews, case histories, and student e-mail journals, including those of his own children, Thompson illuminates the deeper psychological journey that school demands, a journey that all children must take in order to grow and develop, whether they are academic aces or borderline dropouts. Most of us remember this journey, if we are honest with ourselves, but our children must experience it in their own way, for better or worse. In stories that are by turns poignant, shocking, uplifting,

and inspiring, we see students grapple with the textured reality of their lives, devising their own unique strategies to survive and thrive in school. For parents, this book reveals the hidden emotional landscape of the school day and points toward the answers we both desire and dread as we seek to help our children find success in school and beyond. Bridging the worlds of the growing and the grown-up, and told in Thompson's compassionate voice as both psychologist and father, *The Pressured Child* shows us how to listen for the truth of our children's experience—and how to trust, love, and ultimately let go of a child. It is a crucial book for our stressful age—and an ideal resource for families struggling to survive it.

**Storm Watch** C. J. Box, 2023-02-28 Wyoming Game Warden Joe Pickett investigates a mysterious death at a secret remote high-tech facility in this riveting new novel from #1 New York Times bestseller C.J. Box. When a prominent University of Wyoming professor goes missing, authorities are stumped. That is, until Joe Pickett makes two surprising discoveries while hunting down a wounded elk on his district as an epic spring storm descends upon him. First, he finds the professor's vehicle parked on a remote mountainside. Then Joe finds the professor's frozen and mutilated body. When he attempts to learn more, his investigation is obstructed by federal agents, extremists, and Governor Colter Allen. Nate Romanowski is rebuilding his falconry company—and financing this through crypto mining with the assistance of Geronimo Jones. He's then approached by a shadowy group of local militant activists that is gaining in power and influence, and demanding that Wyoming join other western states and secede from the union—by force, if necessary. They ask Nate to throw in with them, but he's wary. Should he trust them, or is he being set up? As a storm of peril gathers around them, Joe and Nate confront it in different ways—and maybe, for the first time, on opposite sides.

Contributors focus on the hitherto neglected issue of Walsingham's cultural impact: the literary, historical, art historical and sociological significance that Walsingham has had since the later Middle Ages.

**King Me** Michael Thompson, 2024-04-11 Every man has a kingdom. Not every king rules well, but you can. Like a living piece in life's checker game, you are moving across the board toward your time of greatest authority and impact. But what kind of king will you be? In *King Me*, author Michael Thompson presents the six stages of the masculine journey with the intent of releasing you forward, oriented and equipped. Building on his previous work in *The Heart of a Warrior*, he invites you to uncover your story, see the wounds of your past, and be initiated into the glory in your heart. Through healing encounters and validating experiences with God, you can learn to wield love as your greatest kingdom weapon and provide a kingdom where hearts are free. Your kingdom is always being watched, and your family and core relationships look to you to come through. You have an ancient adversary who is playing for keeps—and a fiercely loving Advocate who desires to guide you, teach you, and entrust you with more. You are invited to become a man after God's own heart. You are one move away from becoming more and advancing goodness or becoming less and compromising your kingdom. It's your move.
