*Where You're All Going* Joan Frank, 2022-04-01 Buzzfeed News, 15 Small Press Books To Kick Off Your 2020 Reading Season The Millions, "February Preview: The Millions Most Anticipated" Death looms in these four sparkling novellas—thus the book's sly title—but until then there's the wonder of life. Frank's subjects include fascinating friendships and complicated marriages, awful parties and odd enthusiasm. Bonus: song mentions that add up to a terrifically eclectic playlist." —Kim Hubbard, *People Magazine* In her quartet of novellas, Joan Frank invites readers into the inner lives of characters bewildered by love, grief, and inexplicable affinities. A young couple navigates a strange friendship and unexpected pregnancy; a woman recalls the bizarre fallout of her former lover's fame; a lonely widow is drawn to an arrogant young man; a wealthy spiritual seeker grapples with what wealth cannot affect. Witty and humane, Frank taps the riches of the novella form as she writes of loneliness, friendship, loss, and the filaments of intimacy that connect us through time.

What's So Amazing About Grace? Revised and Updated Philip Yancey, 2023-10-03 OVER TWO MILLION COPIES SOLD! It's the most powerful force in the universe, our only hope for love and forgiveness, and a foretaste of eternal life: amazing, radical, life-changing grace. Millions of lives have been changed by award-winning author Philip Yancey's startling exploration of grace at street level. Grace is the one thing the world can't duplicate, the healing force we need, and the key to transforming a broken world. In this revised and updated edition of his personal and provocative book, Yancey offers true

portraits of grace's life-changing power. These stories, set in the midst of life's stark realities, evoke such questions as: If grace is God's love for the undeserving, how do I get it? How well are we dispensing grace to a world that knows far more of strife and unforgiveness than it does of mercy? Can grace make a difference in the midst of such atrocities as the Nazi holocaust, and how can it withstand the brutality of hate? With powerful stories, rich theology, and practical suggestions, Yancey challenges us to become living answers to a world that desperately needs to know, *What's So Amazing About Grace?*

**Intimate Deception** Dr. Sheri Keffer, 2018-03-20 Nothing destroys trust like sexual betrayal. Beyond broken vows, a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self-image and self-worth. She must grapple with the fact that the man she thought she knew has lied and deceived her. She may even bear the brunt of shame and judgment when the people around her find out. Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal, Dr. Sheri Keffer walks women impacted by betrayal through the pain and toward recovery. She explains how the trauma of betrayal affects our minds, bodies, spirits, and sexuality. She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction. And she shows women how to practice self-care, develop healthy boundaries, protect themselves from abuse or manipulation, and find freedom from the burden of shame and guilt.

**Finally Us** J.M. Walker, 2021-03-29 -Vince- She was perfect. Her heart. Her soul. Everything. I had been in love with Gigi Rodriguez for as long as I could remember. I had never been shy about my feelings toward her. Everyone knew how I felt. Except for the person who mattered most. I needed her like I needed my next breath. Our souls called out to each other, entwining together to form a bond I had never felt with another person. She was passionate. Strong. Mine. Just when I thought I had her in my arms for good, an unknown force threatened to take away the only thing I had ever wanted... -Gigi- He was stubborn. Obsessed. Dominating. Vincent Stone Junior was the very reason I danced. Every time I moved, I moved for him. He just didn't know it yet. It all started the night of his eighteenth birthday, but school got in the way and I didn't see

much of him for the next three years. When he came home for good, I knew that he had one mission: To crack down the walls I had built. I didn't want to love him. I didn't want to need him. But losing a piece of myself made me realize that I did in fact want those things. He taught me to love myself first and that he would be there, ready and waiting... For me.

**New York Magazine** ,1993-08-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. **Do Androids Sleep with Electric Sheep?** Johannes Grenzfurthner,2009 As the official artists' collective representing Vienna at the São Paulo Art Biennial in 2002, the monochrom group -- Johannes Grenzfurthner, Günther Friesinger, and Daniel Fabry -- invented an artist called Georg Paul Thomann and carried off the exhibition as a very elaborate prank. The trio, aided by philosopher Thomas Ballhausen, brings that same sense of the cutting-edge and the carnivalesque to this collection exploring erotica, science fiction, and technology. A bracing mix of literary forms, the book shows why the fantasy genre is especially suited to the investigation of the transgressive realms of sexuality and pornography. Here questions of science, research, and technologization are examined, along with the complex surrounding urbanism, artificiality, and control (or the loss of control). Provocative and penetrating,Do Androids Sleep with Electric Sheep?reveals a wealth of depictions of the future and shows the many ways in which they also address the present.
