

My War Andy Rooney

M Mosston

My War Andy Rooney,2000-10-25 The author recounts his experiences as a young reporter to Stars and Stripes, the American forces' daily newspaper in Europe, including his personal account of the liberation and entry into Buchenwald.

My War Andy Rooney,2008-03-18 *My War* is a blunt, funny, idiosyncratic account of Andy Rooney's World War II. As a young, naïve correspondent for The Stars and Stripes, Rooney flew bomber missions, arrived in France during the D-Day invasion, crossed the Rhine with the Allied forces, traveled to Paris for the Liberation, and was one of the first reporters into Buchenwald. Like so many of his generation, Rooney's life was changed forever by the war. He saw life at the extremes of human experience, and wrote about what he observed, making it real to millions of men and women. *My War* is the story of an inexperienced kid learning the craft of journalism. It is by turns moving, suspenseful, and reflective. And Rooney's unmistakable voice shines through on every page.

Courtney Hicks Hodges Stephan T. Wishnevsky,2006-09-26 In the annals of military history, only rarely has someone earned the distinction of rising from the rank of private to full general. Born January 5, 1887, Courtney Hodges attended West Point during the early 1900s. After failing Mathematics at West Point, he returned home for three months before enlisting in the Army at Fort McPherson, Georgia. From this somewhat rocky start, Hodges' military career spanned the globe, covering forty-four years and two world wars. Correcting an historical oversight, this biography tells the story of one of America's most notable military men. An unpretentious, private man, Hodges was credited with capturing more ground than any other American in history. This work follows Hodges from his formative years in Perry, Georgia, through his extraordinary military career, which included service in the Philippines, Mexico, Europe and Japan. Special attention is given to Hodges' role during World War II campaigns, where he commanded the First Army and was chosen by Douglas MacArthur to lead the attack against Japan. Emphasis is also placed on the ways in which Hodges' career was intertwined with other military men of the time, including Omar Bradley and George Patton, a man who was essentially Hodges' mirror image--personally and militarily.
