Pagans and the Law Dana D. Eilers,2003-06-13 Dana D. Eilers now brings her legal education and experience to the Pagan community with this new book. A 1981 cum laude graduate of New England School of Law with a history of private civil practice for 17 years in the states of Missouri and Illinois, Dana has written an informative and educational resource to help Pagans understand the law and how it works. This book touches upon constitutional law, employment discrimination, family law, land use, landlord/tenant issues, and other areas of the law that are of interest to Pagans. It helps you understand your rights as a Pagan. It also provides an overview of the American court system and how it works, with some hints on finding and working with attorneys. Additionally, Dana presents a historical perspective on religion and government so that the modern Pagan can truly appreciate the unique moment in history in which we live.
