Playing Hard To Get Monica Murphy, 2024-03-28 Everyone's a player on The Golden Eagles football team . . . Knox Maguire is the star player on the football team and the King of campus. Everyone loves him but no one pays attention to me. When I become his English tutor, things are kept strictly business. Yet Knox is impossible to resist. Next thing I know, we're getting hot and heavy in the library. When Knox admits he can't stop thinking about me, I have a realization. I can't stop thinking about him either. Instead of keeping my distance, I pull him in closer. Until somehow, we're spending all of our time together and I find myself falling for him. Hard. But is this star athlete playing a game with my heart . . .

Playing to Win Monica Murphy, 2023-08-10 Ready to fall for the ultimate player? Check out the latest sports romance by New York Times bestselling author Monica Murphy... Ace Townsend is the biggest player on campus. The sexy new quarterback on the football team. I should probably mention he's also a complete flirt. The life of the party wherever he goes. Someone I should avoid at all costs. It's difficult though, when I'm on the social media crew for the football team and we're out on the field during practice almost every day, filming them. On the sidelines at games. Hanging out with them at bars. The more I spend time with Ace, the more I'm drawn to him. The attraction is there, but it's more than that. I actually like him. We have a connection, and he definitely feels it too. The problem? I signed a contract when I started on the social media team with a 'no dating athletes' clause. They're strictly off limits. If we get caught together? It's cause for my immediate termination. I love my new job and don't want to risk it, but I'm falling for Ace. Hard. We're all for sneaking around and keeping our growing relationship secret, but it's starting to wear on us. Ace is determined to win me at all costs, though he doesn't want to be the reason I lose my job, but... Maybe the two of us being together is worth the risk.

Playing By The Rules Monica Murphy, 2023-05-22 Camden Fields is the star quarterback of our college football team. Quiet. Smart. Absolutely gorgeous. He's the man all the women on campus rave about. And while he's had a few casual hookups over the years, it's never anything serious. Cam doesn't do serious. He also doesn't do me. See, I'm his best friend's little sister, and whenever we're around each other, he's always warning me that I'm off limits. That nothing can ever happen between us. But I see the way he looks at me when he thinks I'm not watching. The heat in his gaze. The hunger. He can deny it, but that man wants me. I want him too. I'm tired of always being the good girl and doing what everybody expects. For once, I'm going to break all the rules that have restrained me my entire life. I'm going after Camden Fields. And no one can stop me.

Play It Off Monica Murphy, 2025-04-29 From bestselling author Monica Murphy comes a sweet, sexy story about the secret crush between a college QB and his teammate's sister, and the obvious chemistry that keeps them in the huddle. Sienna I've had a thing for Gavin Maddox ever since I was a freshman, but it's a mission doomed to fail. Of all the guys I could have picked on campus, I had to go too far with the quarterback, my brother's best friend. We've spent the last two years avoiding each other. It's not that easy when you have the same friends, not to mention I can't forget the way it felt to be with him. But I can be civil. Polite. Detached. I think... Gavin Sienna Cooper is off limits--except for that one time. I can't forget it, but I need to forget her if I want to keep my head in the game. This is my senior year and, more importantly, my last season of college football. I can't let anything distract me. I've respected Sienna's boundaries for this long. I can do it for another year. ...Can't I?

Four Years Later Monica Murphy, 2014-03-04 Bestselling author Monica Murphy winds up her sensational series with this sexy story of two college kids with nothing in common but a bunch of baggage and a burning attraction. Over. That about sums up everything in my life. Suspended from my college football team and forced to cut back my hours at The District bar because of my crappy grades, I can't keep turning to my sister, Fable, and her pro-football playing husband, Drew, to bail me out. I just can't seem to find my own way. Weed and sex are irresistible temptations—and it's messed up that I secretly hand over money to our junkie mom. A tutor is the last thing I want right now—until I get a look at her. Chelsea is not my type at all. She's smart and totally shy. I'm pretty sure she's even a virgin. But when she gives me the once over with those piercing blue eyes, I'm really over. But in a different way. I won't deny her ass is killer, but it's her brain and the way she seems to crave love—like no one's ever given her any—that make me want her more than any girl I've ever met. But what would someone as seemingly together as her ever see in a screwed up guy like me? Praise for *Four Years Later* “Another great entry into the series and a perfect way to close out what started with *One Week Girlfriend*. As always, Monica Murphy gives

us such great characters, giving them such depth and emotions that it's hard not to love them from the minute you meet them on the page."—Cocktails and Books "An engaging, heavily character-driven new adult [novel] that brings us the story of a much beloved character. Seamless writing flows effortlessly as Murphy sets up the plot elements and begins her story of love, loss, redemption, and forgiveness. . . . Four Years Later was a delight to read."—Smexy Books "Monica Murphy has created an unforgettable series. Her writing is honest, gritty, romantic and entertaining. Her characters are very real people that readers can relate to. We embrace them in our hearts. Their lives and stories will stay with [us] long after the book is finished. It is no wonder that this series is an all-time favorite. . . . The One Week Girlfriend series has been an amazing reading journey that has touched my heart."—Hesperia Loves Books "Emotional and gratifying . . . This romance was full of tension and longing! . . . Monica Murphy has another win with Four Years Later. Owen and Chelsea's story was touching and passionate, and is sure to make you sigh in contentment by the end."—Waves of Fiction "What a fantastic ending to an amazing series! . . . It took my emotions on a roller coaster ride but hey, all the good books do! . . . Four books and I still want more! I'm not quite sure I could ever get enough of these characters. They're all complex, and beautifully broken in their own ways. Combine that with Monica Murphy's fantastic writing skills and you always have a winner."—Down the Rabbit Hole "It's official! When it comes to NA romances and inner monologues, Monica Murphy is a queen! . . . I highly recommend Four Years Later! If you read the earlier books then you just have to get this one too. It was wonderful to see how the earlier couples are faring . . . but Monica Murphy had truly made this Owen's book. I love it!"—In My Room Reading
