Uncommon Love Mary Comm,2018-08-07 *Uncommon Love* is a landmark Bible study and the first of its kind. In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—and many of these are from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents. Mary Comm presents a comprehensive navigational map for Christian parents whose kids (whether minor or adult) have Same-Sex Attraction or are living the LGB lifestyle. The primary purpose of *Uncommon Love* is to help parents maintain a loving, mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity, faith, and values.

HEALING BALM: The Great Physician Clinic EMMANUEL OKAFOR,2025-10-04 The health of the body, the soul and

that of the mind are most important to every living soul. This is something everyone should know. When you are not in good health condition, it is natural to seek ways to bring healing for yourself. Man is a spirit, which has a soul and lives in a body. According to divine creativity, the body -the mind, and soul have been wired in such a way to respond to both spiritual and physical healing procedures. It might interest you to know that originally the human system has been created with the ability to experience self-healing or repairs to a large extent in most cases, when the process is allowed. Scientific discovery calls it human immune system: which can be defined as the ability of the human system to fight against any form of disorder to the human structure. The entire world is witnessing an increase in the number of attacks from sicknesses and diseases more than before in history. The health condition of the populace all over the nations of the world is being challenged on daily basis, by the spread of these deadly micro-organisms. However, I am delighted to inform you that God has divinely provided a permanent solution long before the invasion of these life-threatening microbes. Every manufacturer of any product, especially automobiles make reasonable provision for maintenance or servicing of his product as the need arises. Thus, for the purpose of durability of these products, they have constantly gone further to produce spare parts for the replacement of worn-out or damage parts. God in His infinite wisdom and mercy has made available to us the 'Healing Balm' to provide help to man when sickness attacks. Consequently, by divine leading and inspiration, this book has been written for the healing of all those who believe and have become victims of any form of infirmity. "Is there no balm in Gilead, Is there no physician there? Why then is there no recovery for the health of the daughter of my people?" Jeremiah 8:22. "Go up to Gilead and take balm, O virgin, the daughter of Egypt; In vain you will use many medicines; you shall not be cured." Jeremiah 46:11. It will interest you to know that these infirmities are more spiritual than the ordinary eyes can behold. We are living in the last days and the adversary, the devil has advanced in the manufacturing of sicknesses and has released them to the world, as his weapon of mass destruction. He has a mission "to steal, and to kill, and to destroy. In this book we will try as much as possible to classify these processes in clear terms. Meanwhile, I will need to quickly highlight this; tension, anxiety and worries prevent self-healing, in all of this processes we are going to be stating. To allow the healing process to work, you need to calm down mentally, emotionally, spiritually and physically. All healing is first a healing of the heart. This scripture has this to tell us in this regard: Keep your heart with all, diligence; for out of it are the issues of life. (Proverbs 4:23 KJV) In this world we are confronted with many afflictions and pains, but we have also been given the requirements to overcoming all of it. Many are the afflictions of the righteous: but the LORD delivers him out of them all. He keeps all his bones: not one of them, is broken. (Psalms 34:19-20 KJV) Principally, healing requires a courageous heart if you must obtain it. We all have courage, but we need to dig a little deeper to find it. If you achieve all kinds of things in the material world, but lose your health or your peace of mind, you will certainly get little or no pleasure from your other accomplishments. Discovery has shown that the human body loves routine; which is a major mechanism that enhances healing and good health. This includes:

having good eating habit, sleep, among other things. These routines should be followed squally and practiced every day in order for the body to function at its optimum proficiency. Make no mistakes about this -the body loves consistency. Fundamentally, health is the real wealth and not quantities of gold and silver one acquires. It has been said that Creativity is a fragrance of real health. When a person is truly healthy and whole, creativity comes naturally to him, the push to create arises smoothly. It was Zig Ziglar that said, "The man who earns a million but destroys his health in the process is not really a success". Our health is something we often take for granted. But there are some things in life that should never be taken for granted. The purpose of this manuscript is for you to pay good attention to your total health; so you are been advanced in this book to take care of yourself. A number of factors affecting our wellness shall be our basic concern as we progress; which including fitness, nutrition, spirituality, life-style and finance. Although I am not a specialist in most of these fields but by experience, I have observed over the years again and again how these areas are affected for better or for worse by our psychological, biological and spiritual health. What does it mean to heal your mind, body, and soul? How exactly do you undergo that process? This and many more are the answers we shall be seeing in the proceeding chapters of this book project. EMMANUEL OKAFOR

It's a Matter of Trust Jim Callner, If you are looking for empathy, compassion, kindness, hope, and practical tools for living with obsessive compulsive disorder (OCD), this book will help inspire you on your journey to recovery. In 1982, author James Callner suffered a devastating mental breakdown and the onset of severe OCD. He was hospitalized for six weeks. He felt broken, lost, and terrified about what was happening to his life. He felt trapped with no way out. But there was a way out ... This hopeful and inspirational memoir is warm and casual and shares his recovery process. His care was multifaceted, including hospitalization, cognitive behavioral therapy, exposure response prevention therapy, and an array of innovative approaches. With compassion, empathy, humor, and wisdom, James chronicles his more than three decades of getting the right help while living with OCD. He found that OCD robbed him of trust and infused him with fears and phobias about people, places, and things and debilitating anxiety. He simply didn't trust life. He regained that trust by using helpful tools to reclaim his power—to trust himself again. In this book, he shares those tools to help with your recovery. This is a memoir and a self-help book for anyone who struggles with OCD. As James Callner often reminds people with OCD, "There is always hope."

The Christian Idea of Atonement T. Vincent Tymms, 1904

Healing From the Heart Shelby Nelson,2019-06-24 Healing From the Heart are short inspirational poems and quotes about life and the love of God. He loved us so much that he gave his life for us. Would you give up your life for him? How many times have our hearts been broken in this world? We need our heavenly father to help heal our hearts to lead us and guide us. Perfect having all the required or desirable elements, qualities, and characteristics of an ideal model without fault. He gives us love, grace as each day he pours out his mercy. He watches over us. Will you trust him to watch over you? Call on his name day and night. He's there to receive you without a doubt. Your life does not get better by chance; it gets better by change. No matter what lies ahead of you, God is already there. The life that we're living now is just a faze. There's going to be a new heaven and earth one day. The purpose of life is to live a life of purpose. We may encounter many defeats, but we must not be defeated. Let God heal your broken heart. Just sit back and read some of my encouraging words, and don't let yesterday take up too much of today.
