Chris Rock Philip Wolny,2018-12-15 The greatest entertainers of our time often combine talent, instincts, hard work, and perseverance. Chris Rock has drawn on all four to become one of the most revered, respected, and consistently successful comedians of the last two decades. This book explores his roots, highs and lows, and recent work, including his milestones in stand-up, television, and film, and his maturation as a directorial talent. Entertaining Race Michael Eric Dyson,2021-11-02 From the New York Times bestselling author of *Tears We Cannot Stop* *Entertaining Race* is a splendid way to spend quality time reading one of the most remarkable thinkers in America today. —Speaker Nancy Pelosi To read *Entertaining Race* is to encounter the life-long vocation of a teacher who preaches, a preacher who teaches and an activist who cannot rest until all are set free. —Senator Reverend Raphael Warnock For more than thirty years, Michael Eric Dyson has played a prominent role in the nation as a public intellectual, university professor, cultural critic, social activist and ordained Baptist minister. He has presented a rich and resourceful set of ideas about American history and culture. Now for the first time he brings together the various components of his multihued identity and eclectic pursuits. *Entertaining Race* is a testament to Dyson's consistent celebration of the outsized impact of African American culture and politics on this country. Black people were forced to entertain white people in slavery, have been forced to entertain the idea of race from the start, and must find entertaining ways to make race an object of national conversation. Dyson's career embodies these and other ways of performing Blackness, and in these pages, ranging from 1991 to the present, he entertains race with his pen, voice and body, and occasionally, alongside luminaries like Cornel West, David Blight, Ibram X. Kendi, Master P, MC Lyte, Ta-Nehisi Coates, Alicia Garza, John McWhorter, and Jordan Peterson. Most of this work will be new to readers, a fresh light for many of his long-time fans and an inspiring introduction for newcomers. *Entertaining Race* offers a compelling vision from the mind and heart of one of America's most important and enduring voices.

Guilty Pleasures Laura E. Little,2019 In *Guilty Pleasures*, legal scholar Laura Little provides a multi-faceted account of American law and humor, looking at constraints on humor (and humor's effect on law), humor about law, and humor in law.
