*Harry Potter and the Goblet of Fire* J.K. Rowling,2015-12-08 'There will be three tasks, spaced throughout the school year, and they will test the champions in many different ways ... their magical prowess - their daring - their powers of deduction - and, of course, their ability to cope with danger.' The Triwizard Tournament is to be held at Hogwarts. Only wizards who are over seventeen are allowed to enter - but that doesn't stop Harry dreaming that he will win the competition. Then at Hallowe'en, when the Goblet of Fire makes its selection, Harry is amazed to find his name is one of those that the magical cup picks out. He will face death-defying tasks, dragons and Dark wizards, but with the help of his best friends, Ron and Hermione, he might just make it through - alive! Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

*The Harry Potter Generation* Emily Lauer,Balaka Basu,2019-04-10 The generation of readers most heavily impacted by J.K. Rowling's Harry Potter series--those who grew up alongside the boy who lived--have come of age. They are poised to become teachers, parents, critics and writers, and many of their views and choices will be influenced by the literary revolution in which they were immersed. This collection of new essays explores the many different ways in which Harry Potter has shaped this generation's views on everything from politics to identity to pedagogical spaces online. It seeks to determine how the books have affected fans' understanding of their place in the world and their capacity to create it anew.

**J.K. Rowling: A Bibliography 1997-2013** Philip W. Errington,2015-02-26 'As someone who respects comprehensive research, I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind-boggling bibliography.' J. K. Rowling This is the definitive bibliography of the writings of J. K. Rowling. In addition to complete bibliographic details of each edition of all her books, pamphlets and original contributions to published works, there is detailed information on the publishing history of her work, including fascinating extracts from correspondence, and information on Rowling at auction. This will be the first source on Rowling consulted by textual scholars, book dealers and collectors, auction houses, critics and researchers. The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series.

J.K. Rowling: A Bibliography Philip W. Errington,2017-09-21 This is the definitive bibliography of the writings of J. K.

Rowling. In addition to bibliographical details of each edition of all her books, pamphlets and original contributions to published works, there is detailed information on the publishing history of her work, including fascinating extracts from correspondence, and information on Rowling at auction. This edition has been fully revised and updated to include over 50 new editions published since 2013, including the newly jacketed 2014 children's editions of the Harry Potter books as well as the 2015 illustrated edition of Harry Potter and the Philosopher's Stone. The works of Robert Galbraith are also included.

**Are They Really Reading?** Jodi Crum Marshall, 2002 All too often the poorest readers learn that if they keep quiet during sustained silent reading (SSR), they're doing okay--no reading required. This is especially true in middle school where class sizes are large and instructional emphasis is on content rather than reading. In *Are They Really Reading?*, Jodi Crum Marshall discusses how to find out if your students are using SSR time wisely and what to do about it if they're not. Her book describes how to support middle-grade readers who need it the most, while embracing a research-proven need to increase independent, self-selected reading time for students. Jodi shares lessons and anecdotes from her classroom and from her experience as a reading specialist implementing her model schoolwide. She expands the traditional concepts of SSR to include read-alouds, writing, and accountability to scaffold struggling middle-grade students. Bolstered by these additional supports, Jodi's students dramatically increased their interest and ability in reading through a program they named Supporting Student Literacy (SSL). Classroom teachers will appreciate the clear direction on how and why to implement an SSR program. Administrators will appreciate the guidance for establishing a schoolwide literacy block that substantially improves student motivation and learning. *Are They Really Reading?* answers the following important questions: Why should I start an SSR program? How do I build a classroom library? Where do I get funding for books and other materials? How do I prepare the students for SSR? How do I motivate students to read? What is the role of the teacher? How do I assess SSR? If you don't currently use a sustained silent reading program, this book will help you get started on the right track. If you worry that some of your students aren't really reading during SSR or if you want to enhance your program, here is a roadmap that is instructionally sound and flexible enough to fit your students' needs.

*Living Literature* Wendy C. Kasten, Janice V. Kristo, Amy A. McClure, Abigail Garthwait, 2005 This is the ideal book to help prospective teachers improve children's reading and language arts skills and instill in them a genuine and lasting love of reading. The book demonstrates numerous ways to integrate literature into the daily fabric of classroom life. Following a solid grounding in the basics every reading teacher needs, individual chapters explore genres of children's literature and teaching strategies specific to each genre. Then, the authors examine currently accepted effective practices for engaging young readers in hands-on reading in a way that fosters a love of literature that will last a lifetime. Early childhood and elementary education literature and language arts teachers.

*Making Sense of Media* George R. Rodman,2001 This dynamic new book on introductory mass communication uses a unique narrative approach to help readers understand a broad and constantly changing field while encouraging them to become critical consumers of media. Where did the media come from? Why do media industries do what they do? And why do some of these actions cause controversies? *Making Sense of Media* employs a three-part narrative framework in every chapter that examines history, industry, and controversies. Important topics such as new technology, globalization, diversity, convergence, and conglomeration are integrated throughout. For anyone interested in learning more about mass communication on an introductory level.

**Banned Books** Robert P. Doyle,2010 From Back Cover of Book: Banned books: Challenging Our Freedom To Read provides a framework for understanding censorship and the protections guaranteed to us through the first amendment. Interpretations of the uniquely American notion of freedom of expression - and our freedom to read what we choose - are supplemented by straightforward, easily accessible information that will inspire further exploration. This updated and expanded 2010 edition features a new, streamlined design that will make this an essential reference you'll return to time and again. Contents include: Insight - the challenge of censorship; Interpretation - the first amendment, the freedom of expression, and the freedom to read; Information - first amendment timeline, court cases, glossary, bibliography and quotations; Ideas - celebration guide for banned books week and communication guide for librarians; Incidents - top ten challenged books of 2009 and challenged or banned books - more than 1800 titles listed alphabetically by author plus title, topical, and geographical indices.

Contemporary Literary Criticism Jeffery Hunter,2001-03 Each volume profiles about six to eight novelists, poets, playwrights, short story writers, and other creative and nonfiction writers who are currently active or who died after Dec. 31, 1999. A biographical and critical introduction to each author prefaces a collection of reprinted critical essays and reviews. A cumulative title index to the entire series is available separately (included in subscription).
