GIFT GIVING for Mommies Mommies Line,2008-11-21 GIFT GIVING for Mommies helps you overcome the dilemmas and to enjoy the art and practice of gift giving; becoming gifted in the art of selection, presentation, and reception of gifts. In the first Chapter, Gift Selection, the quandaries in choosing and giving the right gift are unraveled. Surprisingly, re-gifting can be done with a lot of class. In the second chapter, Gift Presentation, the reader is shown how to make exactly the right presentation of the gift. Cultures dictate that gifts must be presented in a particular manner to avoid offending the receiver. Knowing the protocol can mean the difference between making or breaking a personal or business relationship. In the third chapter, Gift Reception, the author enlightens the reader about the complications associated with being on the receiving end of a gift. We don't always receive a gift properly. Knowing how and when to decline a gift is as important as knowing how to select and properly present a gift.

Harding, His Presidency and Love Life Reappraised S. Joseph Krause,2013-12-11 The general opinion of Warren Harding is that he has been justly ranked as the Worst of our Presidents, based largely on the corruption that was brought to light after his death. The truth is, however, that he had no personal involvement in any of the scandals perpetrated by members of his Administration, some of whom, like Jess Smith, an unofficial aid to the Attorney General, engaged in notorious grafting that often netted six figure rewards. Harding, by contrast, died a debtor. Neither a lawyer or general, Harding, head of a rural Ohio newspaper, was not considered an appropriate candidate for high office, no less the Presidency. But an awareness of shortcomings, lead to his making a studious effort to overcome them-- successfully, as recorded by leading reporters like William Allen White. As spelled out in this book, there is much to be said on the positive

side of Hardings Presidency. Due recognition is given to his accomplishments. In his first year in office, for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament. He also created the Bureau of the Budget. Early on, a New York Times story was headlined Harding Assumes Real Leadership as Congress lags. In contrast to his performance as President, handsome Warren was beset by a sex addiction that led to numerous infidelities, the principal ones being with Carrie Phillips, wife of a friend, and Nan Britton, a hometown admiring young lady, 31 years his junior. Nans memoir of an affair which blossomed into love covered the last six years of Hardings life. Though generally mentioned, and equally suppressed, its intimate content, is, herewith for the first time set forth in detail that reveals a crucial aspect of Hardings oft mentioned love life.

Meditation Mentorship Ministry that Teaches Self-Control to Improve Parent-Child Relationships in Korean Immigrant Families JC Ed Choi, 2022-12-05 My mentoring service was provided to Korean immigrant parents in pastoral settings for the purpose of helping them renew their family spirit and strengthen their relationships with their Canadian-raised children. Both Jean-Guy Nadeau's pastoral praxeology and Richard Osmer's four main tasks were adopted as guideposts since the nature of this project incorporated pastoral, ethical, and practical theological. The empirical/descriptive task of observation includes data collection, analysis, and interpretation within the framework of the research design and plan. The research findings indicate that conflicts between parents and children diminish family spirit within Korean immigrant families. The interpretive task problematizes the research findings by performing contextual analysis and draws on theories of human sciences to show how Korean immigrant families are affected by the traditional Korean value system founded on Confucianism, Buddhism, and Taoism. The normative task of theological interpretation presents how Christian virtues, evangelical qualities of relationships, and ethical norms and teachings of the Church can become incorporated into the lifestyles of Korean immigrant parents who wish to live in harmony with their children and renew their family spirit in full accordance with the Gospel. The pragmatic task of operational re-elaboration implements a ministerial solution formulated on theoretical and spiritual interpretations that are concerned with how the mentoring service can be used to cultivate Christian virtues in Korean immigrant parents, teach them self-control practice, and strengthen their relationships with their children.

First Love Wendy Austin, 2003 What is the adolescent's experience of amorous love? In seeking an answer to this question, Wendy Austin gathered descriptions from individuals who were in love as teenagers, explored literary texts, movies, and songs, and reflected on personal experience. To understand the influences that shape her own pre-understandings of

love and that of her society, Austin examined the psychological research, reviewed the explanatory theories of scholars on love and revisited the great love stories that have survived across time to reveal four major descriptive themes - awakening, falling, possessing, and becoming. Adolescence has been called a time of rebirth; in considering the sentimental education of adolescents, Wendy Austin considers ways in which adults may attend this rebirth in a helpful way.

Multiplying the Moon Myra Schneider, 2004 The opening poems of Multiplying The Moon are Myra Schneider's

response to her recent experience of terrible illness. In the aftermath of fighting breast cancer, she found herself writing poems that explore transience, death and survival from many different angles. The main theme of 'Voicebox', the long fictional narrative in the middle of the book, is communication; the poem follows the connections and disconnections between its main characters. In a short poem sequence, the poet draws on findings from the 1901 census to re-create her father's early life, and the understanding she gains helps her to feel a new closeness with him. This, Schneider's most ambitious collection, is united by the theme of investigation of the self and its relationship with the outside world.

The Short Fiction of Kurt Vonnegut Peter Reed,1997-10-30 Kurt Vonnegut's career as a novelist encompasses virtually the whole second half of the twentieth century, and his novels are among the most widely read in America. Yet Vonnegut enjoyed another successful career as a short story writer. His short fiction brought him much acclaim in the early years of his writing career and made him visible to a very large audience. His stories were illustrated by some of the best artists in the business and were featured prominently in leading magazines such as Collier's^ the Saturday Evening Post, Ladies Home Journal, Cosmopolitan, and Argosy. Commentary on Vonnegut has generally separated his career as a novelist from his career as a short story writer. This volume provides a detailed analysis of Vonnegut's short fiction and shows that his short stories are an integral part of his overall canon. The short stories do not simply precede Vonnegut's novels. There is an extensive overlap of the publication of his novels and his shorter works. In writing short fiction, Vonnegut learned and practiced many of the skills and techniques that he employs in his novels. This volume begins by examining the relationship of the short fiction to the larger body of Vonnegut's writings. It then examines Vonnegut's earliest training as a writer, during his high school years and as a college journalist. The chapters that follow are then devoted to later periods in his life, the development of his short stories, and the recurrence of their techniques and content in Vonnegut's novels. The study concludes with a reassessment of the importance of the short story to Vonnegut's canon.
