The Broken Sun Darrell Pitt,2014-10-22 When The Broken Sun, an ancient artefact said to lead to the lost city of Atlantis, is stolen from the British Museum, Jack, Scarlet and Mr Doyle embark on a hunt across Europe to find it. But just as the artefact is within reach, their beloved secretary is mysteriously poisoned. In their race against time to find the antidote, the team uncovers a deadly plan, to attack the Houses of Parliament. Though no one has banked on another shocking discovery - that Mr Doyle's long-dead son may still be alive... Darrell Pitt began his lifelong appreciation of Victorian literature when he read the Sherlock Holmes stories as a child, quickly moving on to H.G. Wells and Jules Verne. This early reading led to a love of comics, science fiction and all things geeky. Darrell is now married with one daughter. He lives in Melbourne. There are three Jack Mason Adventures to date: The Firebird Mystery, The Secret Abyss and The Broken Sun. Praise for the Jack Mason Adventures: 'A fun story, easy to read and full of action. The action, by the way, is excellently written...Bonus points for being the first kids' book of its kind I've come across that gives mention to the suffragettes!' Books+Publishing 'Lots of mechanical mayhem and derring-do - breathless stuff.' Michael Pryor 'Non-stop action, non-stop adventure, non-stop fun!' Richard Harland 'Set in a fantastical London, filled with airships, steam cars and metrotowers stretching into space, this fast paced adventure and homage to the world of Victoria literature and Conan Doyle offers an enjoyable roller-coaster read for fans of Artemis Fowl and the Lemony Snicket series...[a] rollicking who-dunnit that will keep

young Sherlocks guessing to the very end.' Magpies 'Charming, witty and intelligently written...this series no doubt will be a huge hit for early teens, the writing is intelligent and Darrell Pitt has created characters that challenge and provoke readers to invest in the storyline.' Diva Booknerd 'Mind-bending mystery.' Launceston Examiner 'A thrilling book that contains adventurous characters...4 1/2 stars. Recommended to girls and boys 10 and above who love crime and mystery solving.' Celine, 11 years, Alphabet Soup blog 'I was swept along by the fast-paced plot, captivated by the characters and surprised at a major twist at the end. I do recommend this book for readers 9 years and over who like action, mystery and adventure.'

Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,500 listings, including revised and updated listings from the 2024 edition, and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables and a detailed index, and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways, and includes a Table of Authors, which lists over 6,000 authors and tells you who represents them, or who publishes them, or both. The number of genres in the index has expanded to over 900. So, for example, while there was only one option for "Romance" in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural / Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. The new edition includes: · Over 650 literary agents and agencies; · Over 450 magazines; and · Over 500 publishers that don't charge fees. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English-speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers – contact details for literary agents, publishers, and magazines – this directory is able to provide more listings than its competitors, at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. "I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!" ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber

Rethinking Chicana/o Literature through Food M. Abarca, 2013-12-18 As Food Studies has grown into a well-established field, literary scholars have not fully addressed the prevalent themes of food, eating, and consumption in Chicana/o literature. Here, contributors propose food consciousness as a paradigm to examine the literary discourses of Chicana/o authors as they shift from the nation to the postnation.
