RS Peters

Still Life with Woodpecker Tom Robbins, 2003-06-17 A startlingly original novel from the New York Times bestselling author hailed by Financial Times as “one of the wildest and most entertaining novelists in the world” “[Tom] Robbins’s comic philosophical musings reveal a flamboyant genius.”—People Still Life with Woodpecker is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads. “Robbins is a fabulous storyteller.”—The Boston Globe

Tom Robbins Catherine E. Hoyser, Lorena Laura Stookey, 1997-10-28 This is the first book-length study of the popular novelist Tom Robbins. Whimsy and humor characterize Robbins' work, but style and language are the keystones. Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world. His novels constantly challenge perceptions of the world that people automatically label as normal. His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life. In addition to a critical analysis of each of his novels, the study contains biographical material never before published and the first full-length bibliography on Robbins, including a bibliography of reviews of his fiction.
