**Practical and Inspirational Guidelines for Winning** J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.

**1001 Life Changing Quotes 4 TEENS** Laura Lyseight, 2010-03-02 Jesus says profoundly, "The words that I speak, they are Spirit and they are life." Words live and have incredible power, so watch what words you speak. "Colours fade, temples crumble, empires fall, but wise words endure" (Edwards Thorndike). The power found in words cannot be understated. They can be explosive dynamite destroying or they can be cautious uplifting words. "Kind words can be short and easy to speak, but their echoes are truly endless" (Mother Teresa). What lasting impressions are you making with the words you are speaking? The spoken word has life or death in it. Words can motivate you to do more or do the exact opposite. They can equally build you up or pull you down. Throughout history, all successful people have been known to tap into the world of wise words. They have continually stayed motivated and challenged by insightful words from others and this book has the compilation of wise, life-transforming quotes to help you as a teen chart your successful path in life. As you read through this book, you will experience renewed energy, you will feel an explosive excitement, and your passion to do more will mystify you. That is exactly the effect of inspirational words. This collection of quotes has been carefully sourced for teens worldwide. Every teen, especially those who desire to be successful, must have a copy. "An investment in knowledge pays the best interest" (Benjamin Franklin). "Teens are not monsters. They are just people trying to learn how to make it among the adults in the world, who are probably not so sure themselves" (Virginia Satir).
